www.scott-scott.com

Scott+Scott specializes in the investigation and prosecution of complex actions across the globe – recovering billions for its clients. The Firm has extensive experience litigating securities fraud, antitrust, consumer and other complex cases and is a pioneer in structured finance monitoring for client portfolios. We represent individual, institutional, and multinational clients in US, UK, and EU courts, offering a one-stop shop for international recoupment.

THE FIRM

Scott+Scott was founded in 1975 and began its securities litigation practice in 1997. The Firm has since grown into one of the most respected U.S.-based law firms specializing in the investigation and prosecution of complex securities, antitrust and other commercial actions in both the United States and Europe. Today, the Firm is comprised of more than 135 team members, including more than one hundred attorneys supported by a seasoned staff of paralegals, IT and document management professionals, financial analysts, and in-house investigators.

Scott+Scott's largest offices are in New York, N.Y. and San Diego, C.A., with additional U.S. offices located in Connecticut, Virginia, Ohio, and Arizona. The Firm's European offices are currently located in London, Amsterdam, and Berlin.

Scott+Scott has extensive experience litigating cases on behalf of our institutional and individual clients throughout the United States, having served as court-appointed lead or co-lead counsel in numerous securities, antitrust, and consumer class actions, as well derivative and other complex proceedings, in both state and federal courts. The Firm also represents large investors and numerous corporations in commercial and other litigation in courts within the European Union (EU) and the United Kingdom.

Scott+Scott's attorneys are recognized experts and leaders in complex litigation and corporate governance. They have been regular speakers on CLE panels as well as at institutional investor educational conferences around the world and before boards of directors and trustees responsible for managing institutional investments. Scott+Scott attorneys educate institutional investors and governmental entities on the importance of fulfilling fiduciary obligations through the adoption of appropriate asset recovery services, as well as through the development and enforcement of corporate governance initiatives. The Firm's vast experience in structured debt financial litigation has also enabled us to provide clients with in-depth monitoring of their structured finance products, which often come with substantial undisclosed risks due to investors' limited ability to assess what they are acquiring. The Firm also has experience evaluating and monitoring for our clients' debt and debentures originating from private placements and non-public companies, including municipal bonds and derivatives.

ANTITRUST LITIGATION

Scott+Scott represents investors, businesses, and consumers in price-fixing, bid-rigging, monopolization, and other restraints of trade cases on both a class-wide and individual basis. The Firm's work for its clients helps ensure that markets remain free, open, and competitive.

The American Antitrust Institute has recognized Scott+Scott for our innovative enforcement of antitrust laws on behalf of private plaintiffs in 2014, 2018 and 2020. In addition, SSRN's 2018 Antitrust Annual Report found that in 2018 the Firm achieved the largest antitrust settlement in the U.S. for its clients and ranked first nationally in aggregate antitrust settlement recoveries obtained from 2013 to 2018.

Scott+Scott has pioneered the use of antitrust laws in the financial sector, including credit default swaps, private equity, bonds, interest rate derivatives and foreign exchange, to recover for investors. Unlike other firms that predominantly file "follow on" cases after government enforcement actions, Scott+Scott invests "upfront" in economists and investigators to supplement the in-depth analysis of its experienced attorneys to identify and file meritorious (and often novel) cases *before* they are brought by other members of the antitrust bar or by regulators.

Scott+Scott's passion for litigating competition matters in the financial sector extends to its commodity manipulation litigation practice. Using the Commodity Exchange Act, Scott+Scott's lawyers regularly bring claims on behalf of municipal and pension funds, retail investors, and others harmed by major financial institutions' manipulation of commodity markets. Attorneys in Scott+Scott's commodity manipulation group have decades of experience litigating these matters and have recovered hundreds of millions of dollars on behalf of their clients.

Our dedicated team of antitrust partners have built one of the nation's top plaintiffs' firms for antitrust actions. Furthermore, our European expansion reflects a commitment and ability to pursue claims on a global basis.

Indeed, while we have built a reputation as the finest securities and consumer class action law firm in the nation, our lawyers have also worked tirelessly in less high-profile, but no less important, cases involving human rights and other social issues.

PRACTICE AREAS AND SERVICES

Securities Fraud

As recent corporate scandals demonstrate clearly, it has become all too common for companies and their executives – often with the help of their advisors, such as bankers, lawyers, and accountants – to manipulate the market price of their securities by misleading the public about the company’s financial condition or prospects for the future. This misleading information has the effect of artificially inflating the price of the company’s securities above their true value. When the underlying truth is eventually revealed, the prices of these securities plummet, harming those innocent investors who relied upon the company’s misrepresentations.

Robbins Geller is the leader in the fight to protect investors from corporate securities fraud. We utilize a wide range of federal and state laws to provide investors with remedies, either by bringing a class action on behalf of all affected investors or, where appropriate, by bringing individual cases.

The Firm’s reputation for excellence has been repeatedly noted by courts and has resulted in the appointment of Firm attorneys to lead roles in hundreds of complex class-action securities and other cases. In the securities area alone, the Firm’s attorneys have been responsible for a number of outstanding recoveries on behalf of investors. Currently, Robbins Geller attorneys are lead or named counsel in hundreds of securities class action or large institutional-investor cases. Some notable current and past cases include:

- *In re Enron Corp. Sec. Litig.*, No. H-01-3624 (S.D. Tex.). Robbins Geller attorneys and lead plaintiff The Regents of the University of California aggressively pursued numerous defendants, including many of Wall Street’s biggest banks, and successfully obtained settlements in excess of **\$7.2 billion** for the benefit of investors. ***This is the largest securities class action recovery in history.***
- *Jaffe v. Household Int’l, Inc.*, No. 02-C-05893 (N.D. Ill.). As sole lead counsel, Robbins Geller obtained a record-breaking settlement of **\$1.575 billion** after 14 years of litigation, including a six-week jury trial in 2009 that resulted in a securities fraud verdict in favor of the class. In 2015, the Seventh Circuit Court of Appeals upheld the jury’s verdict that defendants made false or misleading statements of material fact about the company’s business practices and financial results, but remanded the case for a new trial on the issue of whether the individual defendants “made” certain false statements, whether those false statements caused plaintiffs’ losses, and the amount of damages. The parties reached an agreement to settle the case just hours before the retrial was scheduled to begin on June 6, 2016. ***The \$1.575 billion settlement, approved in October 2016, is the largest ever following a securities fraud class action trial, the largest securities fraud settlement in the Seventh Circuit and the eighth-largest settlement ever in a post-PSLRA securities fraud case.*** According to published reports, the case was just the seventh securities fraud case tried to a verdict since the passage of the PSLRA.

- *In re Valeant Pharms. Int'l, Inc. Sec. Litig.*, No. 3:15-cv-07658 (D.N.J.). As sole lead counsel, Robbins Geller attorneys obtained a \$1.2 billion settlement in the securities case that *Vanity Fair* reported as “the corporate scandal of its era” that had raised “fundamental questions about the functioning of our health-care system, the nature of modern markets, and the slippery slope of ethical rationalizations.” The settlement resolves claims that defendants made false and misleading statements regarding Valeant’s business and financial performance during the class period, attributing Valeant’s dramatic growth in revenues and profitability to “innovative new marketing approaches” as part of a business model that was low risk and “durable and sustainable.” *Valeant* is the largest securities class action settlement against a pharmaceutical manufacturer and the ninth largest ever.
- *In re Am. Realty Cap. Props., Inc. Litig.*, No. 1:15-mc-00040 (S.D.N.Y.). As sole lead counsel, Robbins Geller attorneys zealously litigated the case arising out of ARCP’s manipulative accounting practices and obtained a \$1.025 billion settlement. For five years, the litigation team prosecuted nine different claims for violations of the Securities Exchange Act of 1934 and the Securities Act of 1933, involving seven different stock or debt offerings and two mergers. The recovery represents the highest percentage of damages of any major PSLRA case prior to trial and includes the largest personal contributions by individual defendants in history.
- *In re UnitedHealth Grp. Inc. PSLRA Litig.*, No. 06-CV-1691 (D. Minn.). Robbins Geller represented the California Public Employees’ Retirement System (“CalPERS”) and demonstrated its willingness to vigorously advocate for its institutional clients, even under the most difficult circumstances. The Firm obtained an \$895 million recovery on behalf of UnitedHealth shareholders, and former CEO William A. McGuire paid \$30 million and returned stock options representing more than three million shares to the shareholders, bringing the total recovery for the class to over \$925 million, the largest stock option backdating recovery ever, and **a recovery that is more than four times larger than the next largest options backdating recovery**. Moreover, Robbins Geller obtained unprecedented corporate governance reforms, including election of a shareholder-nominated member to the company’s board of directors, a mandatory holding period for shares acquired by executives via option exercise, and executive compensation reforms that tie pay to performance.
- *Alaska Elec. Pension Fund v. CitiGroup, Inc. (In re WorldCom Sec. Litig.)*, No. 03 Civ. 8269 (S.D.N.Y.). Robbins Geller attorneys represented more than 50 private and public institutions that opted out of the class action case and sued WorldCom’s bankers, officers and directors, and auditors in courts around the country for losses related to WorldCom bond offerings from 1998 to 2001. The Firm’s attorneys recovered more than \$650 million for their clients, substantially more than they would have recovered as part of the class.
- *Luther v. Countrywide Fin. Corp.*, No. 12-cv-05125 (C.D. Cal.). Robbins Geller attorneys secured a \$500 million settlement for institutional and individual investors in what is the largest RMBS purchaser class action settlement in history, and one of the largest class action securities settlements of all time. The unprecedented settlement resolves claims against Countrywide and Wall Street banks that issued the securities. The action was the first securities class action case filed against originators and Wall Street banks as a result of the credit crisis. As co-lead counsel Robbins Geller forged through six years of hard-fought litigation, oftentimes litigating issues of first impression, in order to secure the landmark settlement for its clients and the class.
- *In re Wachovia Preferred Sec. & Bond/Notes Litig.*, No. 09-cv-06351 (S.D.N.Y.). On behalf of investors in bonds and preferred securities issued between 2006 and 2008, Robbins Geller and co-

counsel obtained a significant settlement with Wachovia successor Wells Fargo & Company and Wachovia auditor KPMG LLP. ***The total settlement – \$627 million – is one of the largest credit-crisis settlements involving Securities Act claims and one of the 20 largest securities class action recoveries in history.*** The settlement is also one of the biggest securities class action recoveries arising from the credit crisis. The lawsuit focused on Wachovia’s exposure to “pick-a-pay” loans, which the bank’s offering materials said were of “pristine credit quality,” but which were actually allegedly made to subprime borrowers, and which ultimately massively impaired the bank’s mortgage portfolio. Robbins Geller served as co-lead counsel representing the City of Livonia Employees’ Retirement System, Hawaii Sheet Metal Workers Pension Fund, and the investor class.

- ***In re Cardinal Health, Inc. Sec. Litig.***, No. C2-04-575 (S.D. Ohio). As sole lead counsel representing Cardinal Health shareholders, Robbins Geller obtained a recovery of \$600 million for investors on behalf of the lead plaintiffs, Amalgamated Bank, the New Mexico State Investment Council, and the California Ironworkers Field Trust Fund. At the time, the \$600 million settlement was the tenth-largest settlement in the history of securities fraud litigation and is the largest-ever recovery in a securities fraud action in the Sixth Circuit.
- ***AOL Time Warner Cases I & II***, JCCP Nos. 4322 & 4325 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller represented The Regents of the University of California, six Ohio state pension funds, Rabo Bank (NL), the Scottish Widows Investment Partnership, several Australian public and private funds, insurance companies, and numerous additional institutional investors, both domestic and international, in state and federal court opt-out litigation stemming from Time Warner’s disastrous 2001 merger with Internet high flier America Online. After almost four years of litigation involving extensive discovery, the Firm secured combined settlements for its opt-out clients totaling over \$629 million just weeks before The Regents’ case pending in California state court was scheduled to go to trial. The Regents’ gross recovery of \$246 million is the largest individual opt-out securities recovery in history.
- ***In re HealthSouth Corp. Sec. Litig.***, No. CV-03-BE-1500-S (N.D. Ala.). As court-appointed co-lead counsel, Robbins Geller attorneys obtained a combined recovery of \$671 million from HealthSouth, its auditor Ernst & Young, and its investment banker, UBS, for the benefit of stockholder plaintiffs. The settlement against HealthSouth represents one of the larger settlements in securities class action history and is considered among the top 15 settlements achieved after passage of the PSLRA. Likewise, the settlement against Ernst & Young is one of the largest securities class action settlements entered into by an accounting firm since the passage of the PSLRA.
- ***Jones v. Pfizer Inc.***, No. 1:10-cv-03864 (S.D.N.Y.). Lead plaintiff Stichting Philips Pensioenfond obtained a \$400 million settlement on behalf of class members who purchased Pfizer common stock during the January 19, 2006 to January 23, 2009 class period. The settlement against Pfizer resolves accusations that it misled investors about an alleged off-label drug marketing scheme. As sole lead counsel, Robbins Geller attorneys helped achieve this exceptional result after five years of hard-fought litigation against the toughest and the brightest members of the securities defense bar by litigating this case all the way to trial.
- ***In re Dynege Inc. Sec. Litig.***, No. H-02-1571 (S.D. Tex.). As sole lead counsel representing The Regents of the University of California and the class of Dynege investors, Robbins Geller attorneys obtained a combined settlement of \$474 million from Dynege, Citigroup, Inc., and Arthur Andersen LLP for their involvement in a clandestine financing scheme known as Project Alpha. Most notably, the settlement agreement provides that Dynege will appoint two board members to be nominated by The Regents, which Robbins Geller and The Regents believe will benefit all of Dynege’s stockholders.

- ***In re Qwest Commc'ns Int'l, Inc. Sec. Litig.***, No. 01-cv-1451 (D. Colo.). In July 2001, the Firm filed the initial complaint in this action on behalf of its clients, long before any investigation into Qwest's financial statements was initiated by the SEC or Department of Justice. After five years of litigation, lead plaintiffs entered into a settlement with Qwest and certain individual defendants that provided a \$400 million recovery for the class and created a mechanism that allowed the vast majority of class members to share in an additional \$250 million recovered by the SEC. In 2008, Robbins Geller attorneys recovered an additional \$45 million for the class in a settlement with defendants Joseph P. Nacchio and Robert S. Woodruff, the CEO and CFO, respectively, of Qwest during large portions of the class period.
- ***Fort Worth Emps.' Ret. Fund v. J.P. Morgan Chase & Co.***, No. 1:09-cv-03701 (S.D.N.Y.). Robbins Geller attorneys served as lead counsel for a class of investors and obtained court approval of a \$388 million recovery in nine 2007 residential mortgage-backed securities offerings issued by J.P. Morgan. The settlement represents, on a percentage basis, the largest recovery ever achieved in an MBS purchaser class action. The result was achieved after more than five years of hard-fought litigation and an extensive investigation.
- ***Smilovits v. First Solar, Inc.***, No. 2:12-cv-00555 (D. Ariz.). As sole lead counsel, Robbins Geller obtained a \$350 million settlement in *Smilovits v. First Solar, Inc.* The settlement, which was reached after a long legal battle and on the day before jury selection, resolves claims that First Solar violated §§10(b) and 20(a) of the Securities Exchange Act of 1934 and SEC Rule 10b-5. The settlement is the fifth-largest PSLRA settlement ever recovered in the Ninth Circuit.
- ***NECA-IBEW Health & Welfare Fund v. Goldman Sachs & Co.***, No. 1:08-cv-10783 (S.D.N.Y.). As sole lead counsel, Robbins Geller obtained a \$272 million settlement on behalf of Goldman Sachs' shareholders. The settlement concludes one of the last remaining mortgage-backed securities purchaser class actions arising out of the global financial crisis. The remarkable result was achieved following seven years of extensive litigation. After the claims were dismissed in 2010, Robbins Geller secured a landmark victory from the Second Circuit Court of Appeals that clarified the scope of permissible class actions asserting claims under the Securities Act of 1933 on behalf of MBS investors. Specifically, the Second Circuit's decision rejected the concept of "tranche" standing and concluded that a lead plaintiff in an MBS class action has class standing to pursue claims on behalf of purchasers of other securities that were issued from the same registration statement and backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff's securities.
- ***Schuh v. HCA Holdings, Inc.***, No. 3:11-cv-01033 (M.D. Tenn.). As sole lead counsel, Robbins Geller obtained a groundbreaking \$215 million settlement for former HCA Holdings, Inc. shareholders – the largest securities class action recovery ever in Tennessee. Reached shortly before trial was scheduled to commence, the settlement resolves claims that the Registration Statement and Prospectus HCA filed in connection with the company's massive \$4.3 billion 2011 IPO contained material misstatements and omissions. The recovery achieved represents more than 30% of the aggregate classwide damages, far exceeding the typical recovery in a securities class action.
- ***In re AT&T Corp. Sec. Litig.***, MDL No. 1399 (D.N.J.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased AT&T common stock. The case charged defendants AT&T and its former Chairman and CEO, C. Michael Armstrong, with violations of the federal securities laws in connection with AT&T's April 2000 initial public offering of its wireless tracking stock, one of the largest IPOs in American history. After two weeks of trial, and on the eve of scheduled testimony by Armstrong and infamous telecom analyst Jack Grubman, defendants agreed to settle the case for \$100 million.

- ***Silverman v. Motorola, Inc.***, No. 1:07-cv-04507 (N.D. Ill.). The Firm served as lead counsel on behalf of a class of investors in Motorola, Inc., ultimately recovering \$200 million for investors just two months before the case was set for trial. This outstanding result was obtained despite the lack of an SEC investigation or any financial restatement.
- ***City of Pontiac Gen. Emps.' Ret. Sys. v. Wal-Mart Stores, Inc.***, No. 5:12-cv-05162 (W.D. Ark.). Robbins Geller attorneys and lead plaintiff City of Pontiac General Employees' Retirement System achieved a \$160 million settlement in a securities class action case arising from allegations published by *The New York Times* in an article released on April 21, 2012 describing an alleged bribery scheme that occurred in Mexico. The case charged that Wal-Mart portrayed itself to investors as a model corporate citizen that had proactively uncovered potential corruption and promptly reported it to law enforcement, when in truth, a former in-house lawyer had blown the whistle on Wal-Mart's corruption years earlier, and Wal-Mart concealed the allegations from law enforcement by refusing its own in-house and outside counsel's calls for an independent investigation. Robbins Geller "achieved an exceptional [s]ettlement with skill, perseverance, and diligent advocacy," said Judge Hickey when granting final approval.
- ***Bennett v. Sprint Nextel Corp.***, No. 2:09-cv-02122 (D. Kan.). As co-lead counsel, Robbins Geller obtained a \$131 million recovery for a class of Sprint investors. The settlement, secured after five years of hard-fought litigation, resolved claims that former Sprint executives misled investors concerning the success of Sprint's ill-advised merger with Nextel and the deteriorating credit quality of Sprint's customer base, artificially inflating the value of Sprint's securities.
- ***In re LendingClub Sec. Litig.***, No. 3:16-cv-02627 (N.D. Cal.). Robbins Geller attorneys obtained a \$125 million settlement for the court-appointed lead plaintiff Water and Power Employees' Retirement, Disability and Death Plan of the City of Los Angeles and the class. The settlement resolved allegations that LendingClub promised investors an opportunity to get in on the ground floor of a revolutionary lending market fueled by the highest standards of honesty and integrity. The settlement ranked among the top ten largest securities recoveries ever in the Northern District of California.
- ***Knurr v. Orbital ATK, Inc.***, No. 1:16-cv-01031 (E.D. Va.). In the *Orbital* securities class action, Robbins Geller obtained court approval of a \$108 million recovery for the class. The Firm succeeded in overcoming two successive motions to dismiss the case, and during discovery were required to file ten motions to compel, all of which were either negotiated to a resolution or granted in large part, which resulted in the production of critical evidence in support of plaintiffs' claims. Believed to be the fourth-largest securities class action settlement in the history of the Eastern District of Virginia, the settlement provides a recovery for investors that is more than ten times larger than the reported median recovery of estimated damages for all securities class action settlements in 2018.

SQM had also filed millions of dollars’ worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal 2014. Due to the company being based out of Chile and subject to Chilean law and rules, the Robbins Geller litigation team put together a multilingual litigation team with Chilean expertise. Shareholder Derivative and Corporate Governance Litigation

The Firm's shareholder derivative and corporate governance practice is focused on preserving corporate assets and enhancing long-term shareowner value. Shareowner derivative actions are often brought by institutional investors to vindicate the rights of the corporation injured by its executives' misconduct, which can effect violations of the nation's securities, anti-corruption, false claims, cyber-security, labor, environmental, and/or health & safety laws.

Robbins Geller attorneys have aided Firm clients in significantly enhancing shareowner value by obtaining hundreds of millions of dollars in financial clawbacks and successfully negotiating corporate governance enhancements. Robbins Geller has worked with its institutional clients to address corporate misconduct such as options backdating, bribery of foreign officials, pollution, off-label marketing, and insider trading and related self-dealing. Additionally, the Firm works closely with noted corporate governance consultants Robert Monks and Richard Bennett and their firm, ValueEdge Advisors LLC, to shape corporate governance practices that will benefit shareowners.

“expend[ing] substantial and skilled time and efforts in an efficient manner to bring this action to conclusion.”

- ***In re Dynamic Random Access Memory (DRAM) Antitrust Litig.***, 02 MDL No. 1486 (N.D. Cal.). Robbins Geller attorneys served on the executive committee in this multi-district class action in which a class of purchasers of dynamic random access memory (or DRAM) chips alleged that the leading manufacturers of semiconductor products fixed the price of DRAM chips from the fall of 2001 through at least the end of June 2002. The case settled for more than \$300 million.
- ***Microsoft I-V Cases***, JCCP No. 4106 (Cal. Super. Ct., San Francisco Cnty.). Robbins Geller attorneys served on the executive committee in these consolidated cases in which California indirect purchasers challenged Microsoft’s illegal exercise of monopoly power in the operating system, word processing, and spreadsheet markets. In a settlement approved by the court, class counsel obtained an unprecedented \$1.1 billion worth of relief for the business and consumer class members who purchased the Microsoft products.

Consumer Fraud and Privacy

In our consumer-based economy, working families who purchase products and services must receive truthful information so they can make meaningful choices about how to spend their hard-earned money. When financial institutions and other corporations deceive consumers or take advantage of unequal bargaining power, class action suits provide, in many instances, the only realistic means for an individual to right a corporate wrong.

Robbins Geller attorneys represent consumers around the country in a variety of important, complex class actions. Our attorneys have taken a leading role in many of the largest federal and state consumer fraud, privacy, environmental, human rights, and public health cases throughout the United States. The Firm is also actively involved in many cases relating to banks and the financial services industry, pursuing claims on behalf of individuals victimized by abusive telemarketing practices, abusive mortgage lending practices, market timing violations in the sale of variable annuities, and deceptive consumer credit lending practices in violation of the Truth-In-Lending Act. Below are a few representative samples of our robust, nationwide consumer and privacy practice.

- ***In re Nat’l Prescription Opiate Litig.*** Robbins Geller serves on the Plaintiffs’ Executive Committee to spearhead more than 2,900 federal lawsuits brought on behalf of governmental entities and other plaintiffs in the sprawling litigation concerning the nationwide prescription opioid epidemic. In reporting on the selection of the lawyers to lead the case, *The National Law Journal* reported that “[t]he team reads like a ‘Who’s Who’ in mass torts.”
- ***Apple Inc. Device Performance Litigation.*** Robbins Geller serves on the Plaintiffs’ Executive Committee to advance judicial interests of efficiency and protect the interests of the proposed class in the *Apple* litigation. The case alleges Apple misrepresented its iPhone devices and the nature of updates to its mobile operating system (iOS), which allegedly included code that significantly reduced the performance of older-model iPhones and forced users to incur expenses replacing these devices or their batteries.
- ***In re EpiPen (Epinephrine Injection, USP) Mktg., Sales Pracs. & Antitrust Litig.*** Robbins Geller served as co-lead class counsel in a case against Mylan Pharmaceuticals and Pfizer alleging anti-competitive behavior that allowed the price of ubiquitous, life-saving EpiPen auto-injector devices to rise over 600%, resulting in inflated prices for American families. Two settlements totaling \$609 million were reached after five years of litigation and weeks prior to trial.

- ***Cordova v. Greyhound Lines, Inc.*** Robbins Geller represented California bus passengers *pro bono* in a landmark consumer and civil rights case against Greyhound for subjecting them to discriminatory immigration raids. Robbins Geller achieved a watershed court ruling that a private company may be held liable under California law for allowing border patrol to harass and racially profile its customers. The case heralds that Greyhound passengers do not check their rights and dignity at the bus door and has had an immediate impact, not only in California but nationwide. Within weeks of Robbins Geller filing the case, Greyhound added “know your rights” information to passengers to its website and on posters in bus stations around the country, along with adopting other business reforms.
- ***In re Volkswagen “Clean Diesel” Mktg., Sales Pracs., & Prods. Liab. Litig.*** As part of the Plaintiffs’ Steering Committee, Robbins Geller reached a series of settlements on behalf of purchasers, lessees, and dealers that total well over \$17 billion, the largest settlement in history, concerning illegal “defeat devices” that Volkswagen installed on many of its diesel-engine vehicles. The device tricked regulators into believing the cars were complying with emissions standards, while the cars were actually emitting between 10 and 40 times the allowable limit for harmful pollutants.
- ***In re Facebook Biometric Info. Privacy Litig.***, No. 3:15-cv-03747 (N.D. Cal.). Robbins Geller served as co-lead class counsel in a cutting-edge certified class action, securing a record-breaking \$650 million all-cash settlement, the largest privacy settlement in history. The case concerned Facebook’s alleged privacy violations through its collection of its users’ biometric identifiers without informed consent through its “Tag Suggestions” feature, which uses proprietary facial recognition software to extract from user-uploaded photographs the unique biometric identifiers (*i.e.*, graphical representations of facial features, also known as facial geometry) associated with people’s faces and identify who they are. The Honorable James Donato called the settlement “a groundbreaking settlement in a novel area” and praised the unprecedented 22% claims rate as “pretty phenomenal” and “a pretty good day in class settlement history.”
- ***Yahoo Data Breach Class Action.*** Robbins Geller helped secure final approval of a \$117.5 million settlement in a class action lawsuit against Yahoo, Inc. arising out of Yahoo’s reckless disregard for the safety and security of its customers’ personal, private information. In September 2016, Yahoo revealed that personal information associated with at least 500 million user accounts, including names, email addresses, telephone numbers, dates of birth, hashed passwords, and security questions and answers, was stolen from Yahoo’s user database in late 2014. The company made another announcement in December 2016 that personal information associated with more than one billion user accounts was extracted in August 2013. Ten months later, Yahoo announced that the breach in 2013 actually affected all three billion existing accounts. This was the largest data breach in history, and caused severe financial and emotional damage to Yahoo account holders. In 2017, Robbins Geller was appointed to the Plaintiffs’ Executive Committee charged with overseeing the litigation.
- ***Trump University.*** After six and a half years of tireless litigation and on the eve of trial, Robbins Geller, serving as co-lead counsel, secured a historic recovery on behalf of Trump University students around the country. The settlement provides \$25 million to approximately 7,000 consumers, including senior citizens who accessed retirement accounts and maxed out credit cards to enroll in Trump University. The extraordinary result means individual class members are eligible for upwards of \$35,000 in restitution. The settlement resolves claims that President Donald J. Trump and Trump University violated federal and state laws by misleadingly marketing “Live Events” seminars and mentorships as teaching Trump’s “real-estate techniques” through his “hand-picked” “professors” at his so-called “university.” Robbins Geller represented the class on a *pro bono* basis.

- ***In re Morning Song Bird Food Litig.*** Robbins Geller obtained final approval of a settlement in a civil Racketeer Influenced and Corrupt Organizations Act consumer class action against The Scotts Miracle-Gro Company and its CEO James Hagedorn. The settlement of up to \$85 million provides full refunds to consumers around the country and resolves claims that Scotts Miracle-Gro knowingly sold wild bird food treated with pesticides that are hazardous to birds. In approving the settlement, Judge Houston commended Robbins Geller’s “skill and quality of work [as] extraordinary” and the case as “aggressively litigated.” The Robbins Geller team battled a series of dismissal motions before achieving class certification for the plaintiffs in March 2017, with the court finding that “Plaintiffs would not have purchased the bird food if they knew it was poison.” Defendants then appealed the class certification to the Ninth Circuit, which was denied, and then tried to have the claims from non-California class members thrown out, which was also denied.
- ***Bank Overdraft Fees Litigation.*** The banking industry charges consumers exorbitant amounts for “overdraft” of their checking accounts, even if the customer did not authorize a charge beyond the available balance and even if the account would not have been overdrawn had the transactions been ordered chronologically as they occurred – that is, banks reorder transactions to maximize such fees. The Firm brought lawsuits against major banks to stop this practice and recover these false fees. These cases have recovered over \$500 million thus far from a dozen banks and we continue to investigate other banks engaging in this practice.
- ***Visa and MasterCard Fees.*** After years of litigation and a six-month trial, Robbins Geller attorneys won one of the largest consumer-protection verdicts ever awarded in the United States. The Firm’s attorneys represented California consumers in an action against Visa and MasterCard for intentionally imposing and concealing a fee from cardholders. The court ordered Visa and MasterCard to return \$800 million in cardholder losses, which represented 100% of the amount illegally taken, plus 2% interest. In addition, the court ordered full disclosure of the hidden fee.
- ***Sony Gaming Networks & Customer Data Security Breach Litigation.*** The Firm served as a member of the Plaintiffs’ Steering Committee, helping to obtain a precedential opinion denying in part Sony’s motion to dismiss plaintiffs’ claims involving the breach of Sony’s gaming network, leading to a \$15 million settlement.
- ***Tobacco Litigation.*** Robbins Geller attorneys have led the fight against Big Tobacco since 1991. As an example, Robbins Geller attorneys filed the case that helped get rid of Joe Camel, representing various public and private plaintiffs, including the State of Arkansas, the general public in California, the cities of San Francisco, Los Angeles, and Birmingham, 14 counties in California, and the working men and women of this country in the Union Pension and Welfare Fund cases that have been filed in 40 states. In 1992, Robbins Geller attorneys filed the first case in the country that alleged a conspiracy by the Big Tobacco companies.

- ***Garment Workers Sweatshop Litigation.*** Robbins Geller attorneys represented a class of 30,000 garment workers who alleged that they had worked under sweatshop conditions in garment factories in Saipan that produced clothing for top U.S. retailers such as The Gap, Target, and J.C. Penney. In the first action of its kind, Robbins Geller attorneys pursued claims against the factories and the retailers alleging violations of RICO, the Alien Tort Claims Act, and the Law of Nations based on the alleged systemic labor and human rights abuses occurring in Saipan. This case was a companion to two other actions, one which alleged overtime violations by the garment factories under the Fair Labor Standards Act and local labor law, and another which alleged violations of California’s Unfair Practices Law by the U.S. retailers. These actions resulted in a settlement of approximately \$20 million that included a comprehensive monitoring program to address past violations by the factories and prevent future ones. The members of the litigation team were honored as Trial Lawyers of the Year by the Trial Lawyers for Public Justice in recognition of the team’s efforts at bringing about the precedent-setting settlement of the actions.
- ***In re Intel Corp. CPU Mktg., Sales Practs. & Prods. Liab. Litig.*** Robbins Geller serves on the Plaintiffs’ Steering Committee in *Intel*, a massive multidistrict litigation pending in the United States District Court for the District of Oregon. *Intel* concerns serious security vulnerabilities – known as “Spectre” and “Meltdown” – that infect nearly all of Intel’s x86 processors manufactured and sold since 1995, the patching of which results in processing speed degradation of the impacted computer, server or mobile device.
- ***West Telemarketing Case.*** Robbins Geller attorneys secured a \$39 million settlement for class members caught up in a telemarketing scheme where consumers were charged for an unwanted membership program after purchasing Tae-Bo exercise videos. Under the settlement, consumers were entitled to claim between one and one-half to three times the amount of all fees they unknowingly paid.
- ***Dannon Activia®.*** Robbins Geller attorneys secured the largest ever settlement for a false advertising case involving a food product. The case alleged that Dannon’s advertising for its Activia® and DanActive® branded products and their benefits from “probiotic” bacteria were overstated. As part of the nationwide settlement, Dannon agreed to modify its advertising and establish a fund of up to \$45 million to compensate consumers for their purchases of Activia® and DanActive®.
- ***Mattel Lead Paint Toys.*** In 2006-2007, toy manufacturing giant Mattel and its subsidiary Fisher-Price announced the recall of over 14 million toys made in China due to hazardous lead and dangerous magnets. Robbins Geller attorneys filed lawsuits on behalf of millions of parents and other consumers who purchased or received toys for children that were marketed as safe but were later recalled because they were dangerous. The Firm’s attorneys reached a landmark settlement for millions of dollars in refunds and lead testing reimbursements, as well as important testing requirements to ensure that Mattel’s toys are safe for consumers in the future.
- ***Tenet Healthcare Cases.*** Robbins Geller attorneys were co-lead counsel in a class action alleging a fraudulent scheme of corporate misconduct, resulting in the overcharging of uninsured patients by the Tenet chain of hospitals. The Firm’s attorneys represented uninsured patients of Tenet hospitals nationwide who were overcharged by Tenet’s admittedly “aggressive pricing strategy,” which resulted in price gouging of the uninsured. The case was settled with Tenet changing its practices and making refunds to patients.
- ***Pet Food Products Liability Litigation.*** Robbins Geller served as co-lead counsel in this massive,

100+ case products liability MDL in the District of New Jersey concerning the death of and injury to thousands of the nation's cats and dogs due to tainted pet food. The case settled for \$24 million.

Human Rights, Labor Practices, and Public Policy

Robbins Geller attorneys have a long tradition of representing the victims of unfair labor practices and violations of human rights. These include:

- ***Does I v. The Gap, Inc.***, No. 01 0031 (D. N. Mar. I.). In this groundbreaking case, Robbins Geller attorneys represented a class of 30,000 garment workers who alleged that they had worked under sweatshop conditions in garment factories in Saipan that produced clothing for top U.S. retailers such as The Gap, Target, and J.C. Penney. In the first action of its kind, Robbins Geller attorneys pursued claims against the factories and the retailers alleging violations of RICO, the Alien Tort Claims Act, and the Law of Nations based on the alleged systemic labor and human rights abuses occurring in Saipan. This case was a companion to two other actions: ***Does I v. Advance Textile Corp.***, No. 99 0002 (D. N. Mar. I.), which alleged overtime violations by the garment factories under the Fair Labor Standards Act and local labor law, and ***UNITE v. The Gap, Inc.***, No. 300474 (Cal. Super. Ct., San Francisco Cty.), which alleged violations of California's Unfair Practices Law by the U.S. retailers. These actions resulted in a settlement of approximately \$20 million that included a comprehensive monitoring program to address past violations by the factories and prevent future ones. The members of the litigation team were honored as Trial Lawyers of the Year by the Trial Lawyers for Public Justice in recognition of the team's efforts at bringing about the precedent-setting settlement of the actions.
- ***Liberty Mutual Overtime Cases***, No. JCCP 4234 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller attorneys served as co-lead counsel on behalf of 1,600 current and former insurance claims adjusters at Liberty Mutual Insurance Company and several of its subsidiaries. Plaintiffs brought the case to recover unpaid overtime compensation and associated penalties, alleging that Liberty Mutual had misclassified its claims adjusters as exempt from overtime under California law. After 13 years of complex and exhaustive litigation, Robbins Geller secured a settlement in which Liberty Mutual agreed to pay \$65 million into a fund to compensate the class of claims adjusters for unpaid overtime. The Liberty Mutual action is one of a few claims adjuster overtime actions brought in California or elsewhere to result in a successful outcome for plaintiffs since 2004.
- ***Veliz v. Cintas Corp.***, No. 5:03-cv-01180 (N.D. Cal.). Brought against one of the nation's largest commercial laundries for violations of the Fair Labor Standards Act for misclassifying truck drivers as salesmen to avoid payment of overtime.
- ***Kasky v. Nike, Inc.***, 27 Cal. 4th 939 (2002). The California Supreme Court upheld claims that an apparel manufacturer misled the public regarding its exploitative labor practices, thereby violating California statutes prohibiting unfair competition and false advertising. The court rejected defense contentions that any misconduct was protected by the First Amendment, finding the heightened constitutional protection afforded to noncommercial speech inappropriate in such a circumstance.

Shareholder derivative litigation brought by Robbins Geller attorneys at times also involves stopping anti-union activities, including:

- ***Southern Pacific/Overnite***. A shareholder action stemming from several hundred million dollars in loss of value in the company due to systematic violations by Overnite of U.S. labor laws.
- ***Massey Energy***. A shareholder action against an anti-union employer for flagrant violations of environmental laws resulting in multi-million-dollar penalties.
- ***Crown Petroleum***. A shareholder action against a Texas-based oil company for self-dealing and breach of fiduciary duty while also involved in a union lockout.

Environment and Public Health

Robbins Geller attorneys have also represented plaintiffs in class actions related to environmental law. The Firm's attorneys represented, on a *pro bono* basis, the Sierra Club and the National Economic Development and Law Center as *amici curiae* in a federal suit designed to uphold the federal and state use of project labor agreements ("PLAs"). The suit represented a legal challenge to President Bush's Executive Order 13202, which prohibits the use of project labor agreements on construction projects receiving federal funds. Our *amici* brief in the matter outlined and stressed the significant environmental and socio-economic benefits associated with the use of PLAs on large-scale construction projects.

Attorneys with Robbins Geller have been involved in several other significant environmental cases, including:

- ***Public Citizen v. U.S. D.O.T.*** Robbins Geller attorneys represented a coalition of labor, environmental, industry, and public health organizations including Public Citizen, The International Brotherhood of Teamsters, California AFL-CIO, and California Trucking Industry in a challenge to a decision by the Bush administration to lift a Congressionally-imposed "moratorium" on cross-border trucking from Mexico on the basis that such trucks do not conform to emission controls under the Clean Air Act, and further, that the administration did not first complete a comprehensive environmental impact analysis as required by the National Environmental Policy Act. The suit was dismissed by the United States Supreme Court, the court holding that because the D.O.T. lacked discretion to prevent crossborder trucking, an environmental assessment was not required.
- ***Sierra Club v. AK Steel***. Brought on behalf of the Sierra Club for massive emissions of air and water pollution by a steel mill, including homes of workers living in the adjacent communities, in violation of the Federal Clean Air Act, the Resource Conservation Recovery Act, and the Clean Water Act.
- ***MTBE Litigation***. Brought on behalf of various water districts for befouling public drinking water with MTBE, a gasoline additive linked to cancer.
- ***Exxon Valdez***. Brought on behalf of fisherman and Alaska residents for billions of dollars in damages resulting from the greatest oil spill in U.S. history.
- ***Avila Beach***. A citizens' suit against UNOCAL for leakage from the oil company pipeline so severe it literally destroyed the town of Avila Beach, California.

Federal laws such as the Clean Water Act, the Clean Air Act, and the Resource Conservation and Recovery Act and state laws such as California's Proposition 65 exist to protect the environment and the public from abuses by corporate and government organizations. Companies can be found liable for negligence, trespass, or intentional environmental damage, be forced to pay for reparations, and to come into

compliance with existing laws. Prominent cases litigated by Robbins Geller attorneys include representing more than 4,000 individuals suing for personal injury and property damage related to the Stringfellow Dump Site in Southern California, participation in the Exxon Valdez oil spill litigation, and litigation involving the toxic spill arising from a Southern Pacific train derailment near Dunsmuir, California.

Robbins Geller attorneys have led the fight against Big Tobacco since 1991. As an example, Robbins Geller attorneys filed the case that helped get rid of Joe Camel, representing various public and private plaintiffs, including the State of Arkansas, the general public in California, the cities of San Francisco, Los Angeles, and Birmingham, 14 counties in California, and the working men and women of this country in the Union Pension and Welfare Fund cases that have been filed in 40 states. In 1992, Robbins Geller attorneys filed the first case in the country that alleged a conspiracy by the Big Tobacco companies.

Pro Bono

Robbins Geller provides counsel to those unable to afford legal representation as part of a continuous and longstanding commitment to the communities in which it serves. Over the years the Firm has dedicated a considerable amount of time, energy, and a full range of its resources for many *pro bono* and charitable actions.

Robbins Geller has been honored for its *pro bono* efforts by the California State Bar (including a nomination for the President's Pro Bono Law Firm of the Year award) and the San Diego Volunteer Lawyer's Program, among others.

Some of the Firm's and its attorneys' *pro bono* and charitable actions include:

- Representing public school children and parents in Tennessee challenging the state's private school voucher law, known as the Education Savings Account (ESA) Pilot Program. Robbins Geller helped achieve favorable rulings enjoining implementation of the ESA for violating the Home Rule provision of the Tennessee Constitution, which prohibits the General Assembly from passing laws that target specific counties without local approval.
- Representing California bus passengers *pro bono* in a landmark consumer and civil rights case against Greyhound for subjecting them to discriminatory immigration raids. Robbins Geller achieved a watershed court ruling that a private company may be held liable under California law for allowing border patrol to harass and racially profile its customers. The case heralds that Greyhound passengers do not check their rights and dignity at the bus door and has had an immediate impact, not only in California but nationwide. Within weeks of Robbins Geller filing the case, Greyhound added "know your rights" information to passengers to its website and on posters in bus stations around the country, along with adopting other business reforms.
- Working with the Homeless Action Center (HAC) to provide no-cost, barrier-free, culturally competent legal representation that makes it possible for people who are homeless (or at risk of becoming homeless) to access social safety net programs that help restore dignity and provide sustainable income, healthcare, mental health treatment, and housing. Based in Oakland and Berkeley, the non-profit is the only program in the Bay Area that specializes in legal services to those who are chronically homeless. In 2016, HAC provided assistance to 1,403 men and 936 women, and 1,691 cases were completed. An additional 1,357 cases were still pending when the year ended. The results include 512 completed SSI cases with a success rate of 87%.

- Representing Trump University students in two class actions against President Donald J. Trump. The historic settlement provides \$25 million to approximately 7,000 consumers. This means individual class members are eligible for upwards of \$35,000 in restitution – an extraordinary result.
- Representing children diagnosed with Autism Spectrum Disorder, as well as children with significant disabilities, in New York to remedy flawed educational policies and practices that cause substantial harm to these and other similar children year after year.
- Representing 19 San Diego County children diagnosed with Autism Spectrum Disorder in their appeal of the San Diego Regional Center’s termination of funding for a crucial therapy. The victory resulted in a complete reinstatement of funding and set a precedent that allows other children to obtain the treatments they need.
- Serving as Northern California and Hawaii District Coordinator for the United States Court of Appeals for the Ninth Circuit’s Pro Bono program since 1993.
- Representing the Sierra Club and the National Economic Development and Law Center as *amici curiae* before the U.S. Supreme Court.
- Obtaining political asylum, after an initial application had been denied, for an impoverished Somali family whose ethnic minority faced systematic persecution and genocidal violence in Somalia, as well as forced female mutilation.
- Working with the ACLU in a class action filed on behalf of welfare applicants subject to San Diego County’s “Project 100%” program. Relief was had when the County admitted that food-stamp eligibility could not hinge upon the Project 100% “home visits,” and again when the district court ruled that unconsented “collateral contacts” violated state regulations. The decision was noted by the *Harvard Law Review*, *The New York Times*, and *The Colbert Report*.
- Filing numerous *amicus curiae* briefs on behalf of religious organizations and clergy that support civil rights, oppose government-backed religious-viewpoint discrimination, and uphold the American traditions of religious freedom and church-state separation.
- Serving as *amicus* counsel in a Ninth Circuit appeal from a Board of Immigration Appeals deportation decision. In addition to obtaining a reversal of the BIA’s deportation order, the Firm consulted with the Federal Defenders’ Office on cases presenting similar fact patterns, which resulted in a precedent-setting *en banc* decision from the Ninth Circuit resolving a question of state and federal law that had been contested and conflicted for decades.

PROMINENT CASES, PRECEDENT-SETTING DECISIONS, AND JUDICIAL COMMENDATIONS

Prominent Cases

Over the years, Robbins Geller attorneys have obtained outstanding results in some of the most notorious and well-known cases, frequently earning judicial commendations for the quality of their representation.

- *In re Enron Corp. Sec. Litig.*, No. H-01-3624 (S.D. Tex.). Investors lost billions of dollars as a result of the massive fraud at Enron. In appointing Robbins Geller lawyers as sole lead counsel to represent the interests of Enron investors, the court found that the Firm’s zealous prosecution and level of “insight” set it apart from its peers. Robbins Geller attorneys and lead plaintiff The Regents of the University of California aggressively pursued numerous defendants, including many of Wall Street’s biggest banks, and successfully obtained settlements in excess of **\$7.2 billion** for the benefit of investors. *This is the largest securities class action recovery in history.*

The court overseeing this action had utmost praise for Robbins Geller’s efforts and stated that “[t]he experience, ability, and reputation of the attorneys of [Robbins Geller] is not disputed; it is one of the most successful law firms in securities class actions, if not the preeminent one, in the country.” *In re Enron Corp. Sec., Derivative & “ERISA” Litig.*, 586 F. Supp. 2d 732, 797 (S.D. Tex. 2008).

The court further commented: “[I]n the face of extraordinary obstacles, the skills, expertise, commitment, and tenacity of [Robbins Geller] in this litigation cannot be overstated. Not to be overlooked are the unparalleled results, . . . which demonstrate counsel’s clearly superlative litigating and negotiating skills.” *Id.* at 789.

The court stated that the Firm’s attorneys “are to be commended for their zealousness, their diligence, their perseverance, their creativity, the enormous breadth and depth of their investigations and analysis, and their expertise in all areas of securities law on behalf of the proposed class.” *Id.*

In addition, the court noted, “This Court considers [Robbins Geller] ‘a lion’ at the securities bar on the national level,” noting that the Lead Plaintiff selected Robbins Geller because of the Firm’s “outstanding reputation, experience, and success in securities litigation nationwide.” *Id.* at 790.

The court further stated that “Lead Counsel’s fearsome reputation and successful track record undoubtedly were substantial factors in . . . obtaining these recoveries.” *Id.*

Finally, Judge Harmon stated: “As this Court has explained [this is] an extraordinary group of attorneys who achieved the largest settlement fund ever despite the great odds against them.” *Id.* at 828.

- *Jaffe v. Household Int’l, Inc.*, No. 02-C-05893 (N.D. Ill). As sole lead counsel, Robbins Geller obtained a record-breaking settlement of **\$1.575 billion** after 14 years of litigation, including a six-week jury trial in 2009 that resulted in a securities fraud verdict in favor of the class. In 2015, the Seventh Circuit Court of Appeals upheld the jury’s verdict that defendants made false or misleading statements of material fact about the company’s business practices and financial results, but remanded the case for a new trial on the issue of whether the individual defendants “made” certain false statements, whether those false statements caused plaintiffs’ losses, and the amount of

damages. The parties reached an agreement to settle the case just hours before the retrial was scheduled to begin on June 6, 2016. *The \$1.575 billion settlement, approved in October 2016, is the largest ever following a securities fraud class action trial, the largest securities fraud settlement in the Seventh Circuit and the eighth-largest settlement ever in a post-PSLRA securities fraud case.* According to published reports, the case was just the seventh securities fraud case tried to a verdict since the passage of the PSLRA.

In approving the settlement, the Honorable Jorge L. Alonso noted the team's "skill and determination" while recognizing that "Lead Counsel prosecuted the case vigorously and skillfully over 14 years against nine of the country's most prominent law firms" and "achieved an exceptionally significant recovery for the class." The court added that the team faced "significant hurdles" and "uphill battles" throughout the case and recognized that "[c]lass counsel performed a very high-quality legal work in the context of a thorny case in which the state of the law has been and is in flux." The court succinctly concluded that the settlement was "a spectacular result for the class." *Jaffe v. Household Int'l, Inc.*, No. 02-C-5892, 2016 U.S. Dist. LEXIS 156921, at *8 (N.D. Ill. Nov. 10, 2016); *Jaffe v. Household Int'l, Inc.*, No. 02-C-05893, Transcript at 56, 65 (N.D. Ill. Oct. 20, 2016).

- ***In re Valeant Pharms. Int'l, Inc. Sec. Litig.***, No. 3:15-cv-07658 (D.N.J.). As sole lead counsel, Robbins Geller attorneys obtained a \$1.2 billion settlement in the securities case that *Vanity Fair* reported as "the corporate scandal of its era" that had raised "fundamental questions about the functioning of our health-care system, the nature of modern markets, and the slippery slope of ethical rationalizations." The settlement resolves claims that defendants made false and misleading statements regarding Valeant's business and financial performance during the class period, attributing Valeant's dramatic growth in revenues and profitability to "innovative new marketing approaches" as part of a business model that was low risk and "durable and sustainable." *Valeant* is the largest securities class action settlement against a pharmaceutical manufacturer and the ninth largest ever.
- ***In re Am. Realty Cap. Props., Inc. Litig.***, No. 1:15-mc-00040 (S.D.N.Y.). As sole lead counsel, Robbins Geller attorneys zealously litigated the case arising out of ARCP's manipulative accounting practices and obtained a \$1.025 billion settlement. For five years, the litigation team prosecuted nine different claims for violations of the Securities Exchange Act of 1934 and Securities Act of 1933, involving seven different stock or debt offerings and two mergers. The recovery represents the highest percentage of damages of any major PSLRA case prior to trial and includes the largest personal contributions by individual defendants in history.

In approving the settlement, the Honorable Alvin K. Hellerstein lauded the Robbins Geller litigation team, noting: "My own observation is that plaintiffs' representation is adequate and that the role of lead counsel was fulfilled in an extremely fine fashion by [Robbins Geller]. At every juncture, the representations made to me were reliable, the arguments were cogent, and the representation of their client was zealous."

- ***In re UnitedHealth Grp. Inc. PSLRA Litig.***, No. 06-CV-1691 (D. Minn.). In the *UnitedHealth* case, Robbins Geller represented the California Public Employees' Retirement System ("CalPERS") and demonstrated its willingness to vigorously advocate for its institutional clients, even under the most difficult circumstances. For example, in 2006, the issue of high-level executives backdating stock options made national headlines. During that time, many law firms, including Robbins Geller, brought shareholder derivative lawsuits against the companies' boards of directors for breaches of their fiduciary duties or for improperly granting backdated options. Rather than pursuing a shareholder derivative case, the Firm filed a securities fraud class action against the company on behalf of CalPERS. In doing so, Robbins Geller faced significant and unprecedented legal

PROMINENT CASES, PRECEDENT-SETTING DECISIONS, AND JUDICIAL COMMENDATIONS

obstacles with respect to loss causation, *i.e.*, that defendants' actions were responsible for causing the stock losses. Despite these legal hurdles, Robbins Geller obtained an \$895 million recovery on behalf of the UnitedHealth shareholders. Shortly after reaching the \$895 million settlement with UnitedHealth, the remaining corporate defendants, including former CEO William A. McGuire, also settled. McGuire paid \$30 million and returned stock options representing more than three million shares to the shareholders. The total recovery for the class was over \$925 million, the largest stock option backdating recovery ever, and **a recovery that is more than four times larger than the next largest options backdating recovery**. Moreover, Robbins Geller obtained unprecedented corporate governance reforms, including election of a shareholder-nominated member to the company's board of directors, a mandatory holding period for shares acquired by executives via option exercise, and executive compensation reforms that tie pay to performance.

- ***Alaska Elec. Pension Fund v. CitiGroup, Inc. (In re WorldCom Sec. Litig.)***, No. 03 Civ. 8269 (S.D.N.Y.). Robbins Geller attorneys represented more than 50 private and public institutions that opted out of the class action case and sued WorldCom's bankers, officers and directors, and auditors in courts around the country for losses related to WorldCom bond offerings from 1998 to 2001. The Firm's clients included major public institutions from across the country such as CalPERS, CalSTRS, the state pension funds of Maine, Illinois, New Mexico, and West Virginia, union pension funds, and private entities such as AIG and Northwestern Mutual. Robbins Geller attorneys recovered more than \$650 million for their clients, substantially more than they would have recovered as part of the class.
- ***Luther v. Countrywide Fin. Corp.***, No. 12-cv-05125 (C.D. Cal.). Robbins Geller attorneys secured a \$500 million settlement for institutional and individual investors in what is the largest RMBS purchaser class action settlement in history, and one of the largest class action securities settlements of all time. The unprecedented settlement resolves claims against Countrywide and Wall Street banks that issued the securities. The action was the first securities class action case filed against originators and Wall Street banks as a result of the credit crisis. As co-lead counsel Robbins Geller forged through six years of hard-fought litigation, oftentimes litigating issues of first impression, in order to secure the landmark settlement for its clients and the class.

In approving the settlement, Judge Mariana R. Pfaelzer repeatedly complimented plaintiffs' attorneys, noting that it was "beyond serious dispute that Class Counsel has vigorously prosecuted the Settlement Actions on both the state and federal level over the last six years." Judge Pfaelzer also commented that "[w]ithout a settlement, these cases would continue indefinitely, resulting in significant risks to recovery and continued litigation costs. It is difficult to understate the risks to recovery if litigation had continued." *Me. State Rel. Sys. v. Countrywide Fin. Corp.*, No. 2:10-CV-00302, 2013 U.S. Dist. LEXIS 179190, at *44, *56 (C.D. Cal. Dec. 5, 2013).

Judge Pfaelzer further noted that the proposed \$500 million settlement represents one of the "largest MBS class action settlements to date. Indeed, this settlement easily surpasses the next largest . . . MBS settlement." *Id.* at *59.

- ***In re Wachovia Preferred Sec. & Bond/Notes Litig.***, No. 09-cv-06351 (S.D.N.Y.). In litigation over bonds and preferred securities, issued by Wachovia between 2006 and 2008, Robbins Geller and co-counsel obtained a significant settlement with Wachovia successor Wells Fargo & Company (\$590 million) and Wachovia auditor KPMG LLP (\$37 million). ***The total settlement – \$627 million – is one of the largest credit-crisis settlements involving Securities Act claims and one of the 20 largest securities class action recoveries in history.*** The settlement is also one of the biggest securities class action recoveries arising from the credit crisis.

PROMINENT CASES, PRECEDENT-SETTING DECISIONS,
AND JUDICIAL COMMENDATIONS

As alleged in the complaint, the offering materials for the bonds and preferred securities misstated and failed to disclose the true nature and quality of Wachovia's mortgage loan portfolio, which exposed the bank and misled investors to tens of billions of dollars in losses on mortgage-related assets. In reality, Wachovia employed high-risk underwriting standards and made loans to subprime borrowers, contrary to the offering materials and their statements of "pristine credit quality." Robbins Geller served as co-lead counsel representing the City of Livonia Employees' Retirement System, Hawaii Sheet Metal Workers Pension Fund, and the investor class.

- ***In re Cardinal Health, Inc. Sec. Litig.***, No. C2-04-575 (S.D. Ohio). As sole lead counsel representing Cardinal Health shareholders, Robbins Geller obtained a recovery of \$600 million for investors. On behalf of the lead plaintiffs, Amalgamated Bank, the New Mexico State Investment Council, and the California Ironworkers Field Trust Fund, the Firm aggressively pursued class claims and won numerous courtroom victories, including a favorable decision on defendants' motion to dismiss. *In re Cardinal Health, Inc. Sec. Litigs.*, 426 F. Supp. 2d 688 (S.D. Ohio 2006). At the time, the \$600 million settlement was the tenth-largest settlement in the history of securities fraud litigation and is the largest-ever recovery in a securities fraud action in the Sixth Circuit. Judge Marbley commented: "[T]his is an extraordinary settlement relative to all the other settlements in cases of this nature and certainly cases of this magnitude. . . . This was an outstanding settlement. . . . [I]n most instances, if you've gotten four cents on the dollar, you've done well. You've gotten twenty cents on the dollar, so that's been extraordinary. *In re Cardinal Health, Inc. Sec. Litig.*, No. 2:04-CV-575, Transcript at 16, 32 (S.D. Ohio Oct. 19, 2007). Judge Marbley further stated:

The quality of representation in this case was superb. Lead Counsel, [Robbins Geller], are nationally recognized leaders in complex securities litigation class actions. The quality of the representation is demonstrated by the substantial benefit achieved for the Class and the efficient, effective prosecution and resolution of this action. Lead Counsel defeated a volley of motions to dismiss, thwarting well-formed challenges from prominent and capable attorneys from six different law firms.

- ***AOL Time Warner Cases I & II***, JCCP Nos. 4322 & 4325 (Cal. Super. Ct., Los Angeles Cnty.). Robbins Geller represented The Regents of the University of California, six Ohio state pension funds, Rabo Bank (NL), the Scottish Widows Investment Partnership, several Australian public and private funds, insurance companies, and numerous additional institutional investors, both domestic and international, in state and federal court opt-out litigation stemming from Time Warner's disastrous 2001 merger with Internet high flier America Online. Robbins Geller attorneys exposed a massive and sophisticated accounting fraud involving America Online's e-commerce and advertising revenue. After almost four years of litigation involving extensive discovery, the Firm secured combined settlements for its opt-out clients totaling over \$629 million just weeks before The Regents' case pending in California state court was scheduled to go to trial. The Regents' gross recovery of \$246 million is the largest individual opt-out securities recovery in history.

- ***Abu Dhabi Commercial Bank v. Morgan Stanley & Co.***, No. 1:08-cv-07508-SAS-DCF (S.D.N.Y.), and ***King County, Washington v. IKB Deutsche Industriebank AG***, No. 1:09-cv-08387-SAS (S.D.N.Y.). The Firm represented multiple institutional investors in successfully pursuing recoveries from two failed structured investment vehicles, each of which had been rated “AAA” by Standard & Poors and Moody’s, but which failed fantastically in 2007. The matter settled just prior to trial in 2013. This result was only made possible after Robbins Geller lawyers beat back the rating agencies’ longtime argument that ratings were opinions protected by the First Amendment.
- ***In re HealthSouth Corp. Sec. Litig.***, No. CV-03-BE-1500-S (N.D. Ala.). As court-appointed co-lead counsel, Robbins Geller attorneys obtained a combined recovery of \$671 million from HealthSouth, its auditor Ernst & Young, and its investment banker, UBS, for the benefit of stockholder plaintiffs. The settlement against HealthSouth represents one of the larger settlements in securities class action history and is considered among the top 15 settlements achieved after passage of the PSLRA. Likewise, the settlement against Ernst & Young is one of the largest securities class action settlements entered into by an accounting firm since the passage of the PSLRA. HealthSouth and its financial advisors perpetrated one of the largest and most pervasive frauds in the history of U.S. healthcare, prompting Congressional and law enforcement inquiry and resulting in guilty pleas of 16 former HealthSouth executives in related federal criminal prosecutions. In March 2009, Judge Karon Bowdre commented in the *HealthSouth* class certification opinion: “The court has had many opportunities since November 2001 to examine the work of class counsel and the supervision by the Class Representatives. The court finds both to be far more than adequate.” *In re HealthSouth Corp. Sec. Litig.*, 257 F.R.D. 260, 275 (N.D. Ala. 2009).
- ***In re Facebook Biometric Info. Privacy Litig.***, No. 3:15-cv-03747 (N.D. Cal.). Robbins Geller served as co-lead class counsel in a cutting-edge certified class action, securing a record-breaking \$650 million all-cash settlement, the largest privacy settlement in history. The case concerned Facebook’s alleged privacy violations through its collection of its users’ biometric identifiers without informed consent through its “Tag Suggestions” feature, which uses proprietary facial recognition software to extract from user-uploaded photographs the unique biometric identifiers (*i.e.*, graphical representations of facial features, also known as facial geometry) associated with people’s faces and identify who they are. The Honorable James Donato called the settlement “a groundbreaking settlement in a novel area” and praised the unprecedented 22% claims rate as “pretty phenomenal” and “a pretty good day in class settlement history.”
- ***In re Dynegy Inc. Sec. Litig.***, No. H-02-1571 (S.D. Tex.). As sole lead counsel representing The Regents of the University of California and the class of Dynegy investors, Robbins Geller attorneys obtained a combined settlement of \$474 million from Dynegy, Citigroup, Inc., and Arthur Andersen LLP for their involvement in a clandestine financing scheme known as Project Alpha. Given Dynegy’s limited ability to pay, Robbins Geller attorneys structured a settlement (reached shortly before the commencement of trial) that maximized plaintiffs’ recovery without bankrupting the company. Most notably, the settlement agreement provides that Dynegy will appoint two board members to be nominated by The Regents, which Robbins Geller and The Regents believe will benefit all of Dynegy’s stockholders.
- ***Jones v. Pfizer Inc.***, No. 1:10-cv-03864 (S.D.N.Y.). Lead plaintiff Stichting Philips Pensioenfonds obtained a \$400 million settlement on behalf of class members who purchased Pfizer common stock during the January 19, 2006 to January 23, 2009 class period. The settlement against Pfizer resolves accusations that it misled investors about an alleged off-label drug marketing scheme. As sole lead counsel, Robbins Geller attorneys helped achieve this exceptional result after five years of hard-fought litigation against the toughest and the brightest members of the securities defense bar by litigating this case all the way to trial.

PROMINENT CASES, PRECEDENT-SETTING DECISIONS,
AND JUDICIAL COMMENDATIONS

In approving the settlement, United States District Judge Alvin K. Hellerstein commended the Firm, noting that “[w]ithout the quality and the toughness that you have exhibited, our society would not be as good as it is with all its problems. So from me to you is a vote of thanks for devoting yourself to this work and doing it well. . . . You did a really good job. Congratulations.”

- ***In re Qwest Commc’ns Int’l, Inc. Sec. Litig.***, No. 01-cv-1451 (D. Colo.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased Qwest securities. In July 2001, the Firm filed the initial complaint in this action on behalf of its clients, long before any investigation into Qwest’s financial statements was initiated by the SEC or Department of Justice. After five years of litigation, lead plaintiffs entered into a settlement with Qwest and certain individual defendants that provided a \$400 million recovery for the class and created a mechanism that allowed the vast majority of class members to share in an additional \$250 million recovered by the SEC. In 2008, Robbins Geller attorneys recovered an additional \$45 million for the class in a settlement with defendants Joseph P. Nacchio and Robert S. Woodruff, the CEO and CFO, respectively, of Qwest during large portions of the class period.
- ***Fort Worth Emps.’ Ret. Fund v. J.P. Morgan Chase & Co.***, No. 1:09-cv-03701 (S.D.N.Y.). Robbins Geller attorneys served as lead counsel for a class of investors and obtained court approval of a \$388 million recovery in nine 2007 residential mortgage-backed securities offerings issued by J.P. Morgan. The settlement represents, on a percentage basis, the largest recovery ever achieved in an MBS purchaser class action. The result was achieved after more than five years of hard-fought litigation and an extensive investigation. In granting approval of the settlement, the court stated the following about Robbins Geller attorneys litigating the case: “[T]here is no question in my mind that this is a very good result for the class and that the plaintiffs’ counsel fought the case very hard with extensive discovery, a lot of depositions, several rounds of briefing of various legal issues going all the way through class certification.”
- ***Smilovits v. First Solar, Inc.***, No. 2:12-cv-00555 (D. Ariz.). As sole lead counsel, Robbins Geller obtained a \$350 million settlement in *Smilovits v. First Solar, Inc.* The settlement, which was reached after a long legal battle and on the day before jury selection, resolves claims that First Solar violated §§10(b) and 20(a) of the Securities Exchange Act of 1934 and SEC Rule 10b-5. The settlement is the fifth-largest PSLRA settlement ever recovered in the Ninth Circuit.
- ***NECA-IBEW Health & Welfare Fund v. Goldman Sachs & Co.***, No. 1:08-cv-10783 (S.D.N.Y.). As sole lead counsel, Robbins Geller obtained a \$272 million settlement on behalf of Goldman Sachs’ shareholders. The settlement concludes one of the last remaining mortgage-backed securities purchaser class actions arising out of the global financial crisis. The remarkable result was achieved following seven years of extensive litigation. After the claims were dismissed in 2010, Robbins Geller secured a landmark victory from the Second Circuit Court of Appeals that clarified the scope of permissible class actions asserting claims under the Securities Act of 1933 on behalf of MBS investors. Specifically, the Second Circuit’s decision rejected the concept of “tranche” standing and concluded that a lead plaintiff in an MBS class action has class standing to pursue claims on behalf of purchasers of other securities that were issued from the same registration statement and backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff’s securities.

In approving the settlement, the Honorable Loretta A. Preska of the Southern District of New York complimented Robbins Geller attorneys, noting:

Counsel, thank you for your papers. They were, by the way, extraordinary

papers in support of the settlement, and I will particularly note Professor Miller's declaration in which he details the procedural aspects of the case and then speaks of plaintiffs' counsel's success in the Second Circuit essentially changing the law.

I will also note what counsel have said, and that is that this case illustrates the proper functioning of the statute.

- ***Schuh v. HCA Holdings, Inc.***, No. 3:11-cv-01033 (M.D. Tenn.). As sole lead counsel, Robbins Geller obtained a groundbreaking \$215 million settlement for former HCA Holdings, Inc. shareholders – the largest securities class action recovery ever in Tennessee. Reached shortly before trial was scheduled to commence, the settlement resolves claims that the Registration Statement and Prospectus HCA filed in connection with the company's massive \$4.3 billion 2011 IPO contained material misstatements and omissions. The recovery achieved represents more than 30% of the aggregate classwide damages, far exceeding the typical recovery in a securities class action. At the hearing on final approval of the settlement, the Honorable Kevin H. Sharp described Robbins Geller attorneys as “gladiators” and commented: “Looking at the benefit obtained, the effort that you had to put into it, [and] the complexity in this case . . . I appreciate the work that you all have done on this.” *Schuh v. HCA Holdings, Inc.*, No. 3:11-CV-01033, Transcript at 12-13 (M.D. Tenn. Apr. 11, 2016).

This outstanding result was obtained despite the lack of an SEC investigation or any financial restatement. In May 2012, the Honorable Amy J. St. Eve of the Northern District of Illinois commented: “The representation that [Robbins Geller] provided to the class was significant, both in terms of quality and quantity.” *Silverman v. In affirming the district court's award of attorneys' fees, the Seventh Circuit noted that “no other law firm was willing to serve as lead counsel. - ***In re AT&T Corp. Sec. Litig.***, MDL No. 1399 (D.N.J.). Robbins Geller attorneys served as lead counsel for a class of investors that purchased AT&T common stock. The case charged defendants AT&T and its former Chairman and CEO, C. Michael Armstrong, with violations of the federal securities laws in connection with AT&T's April 2000 initial public offering of its wireless tracking stock, one of the largest IPOs in American history. After two weeks of trial, and on the eve of scheduled testimony by Armstrong and infamous telecom analyst Jack Grubman, defendants agreed to settle the case for \$100 million. In granting approval of the settlement, the court stated the following about the Robbins Geller attorneys handling the case:

Defendants had inflated the price of these securities by concealing the fact that TXU's operating earnings were declining due to a deteriorating gas pipeline and the failure of the company's European operations.

The services provided by Lead Counsel [Robbins Geller] were efficient and highly successful, resulting in an outstanding recovery for the Class without the substantial expense, risk and delay of continued litigation. Such efficiency and effectiveness supports the requested fee percentage.

Cases brought under the federal securities laws are notably difficult and notoriously uncertain. . . . Despite the novelty and difficulty of the issues raised, Lead Plaintiffs' counsel secured an excellent result for the Class.

. . . Based upon Lead Plaintiff's counsel's diligent efforts on behalf of the Class, as well as their skill and reputations, Lead Plaintiff's counsel were able to negotiate a very favorable result for the Class. . . . - ***Does I v. The Gap, Inc.***, No. 01 0031 (D. N. Mar. I.). In this groundbreaking case, Robbins Geller attorneys represented a class of 30,000 garment workers who alleged that they had worked under sweatshop conditions in garment factories in Saipan that produced clothing for top U.S. retailers such as The Gap, Target, and J.C. Penney. In the first action of its kind, Robbins Geller attorneys pursued claims against the factories and the retailers alleging violations of RICO, the Alien Tort Claims Act, and the Law of Nations based on the alleged systemic labor and human rights abuses occurring in Saipan. This case was a companion to two other actions: ***Does I v. Advance Textile Corp.***, No. 99 0002 (D. N. Mar. These actions resulted in a settlement of approximately \$20 million that included a comprehensive monitoring program to address past violations by the factories and prevent future ones. Robbins Geller attorneys represented California consumers in an action against Visa and MasterCard for intentionally imposing and concealing a fee from their cardholders. The court ordered Visa and MasterCard to return \$800 million in cardholder losses, which represented 100% of the amount illegally taken, plus 2% interest. - ***Stoyas v. Toshiba Corp.***, 896 F.3d 933 (9th Cir. 2018), *cert. denied*, 588 U.S. __ (2019). In July 2018, the Ninth Circuit ruled in plaintiffs' favor in the *Toshiba* securities class action. Following appellate briefing and oral argument by Robbins Geller attorneys, a three-judge Ninth Circuit panel reversed the district court's prior dismissal in a unanimous, 36-page opinion, holding that Toshiba ADRs are a "security" and the Securities Exchange Act of 1934 could apply to those ADRs that were purchased in a domestic transaction. *Id.* at 939, 949. The court adopted the Second and Third Circuits' "irrevocable liability" test for determining whether the transactions were domestic and held that plaintiffs must be allowed to amend their complaint to allege that the purchase of Toshiba ADRs on the over-the-counter market was a domestic purchase and that the alleged fraud was in connection with the purchase.
- ***Cyan, Inc. v. Beaver Cnty. Emps. Ret. Fund***, No. 15-1439 (U.S.). In March 2018, the U.S. Supreme Court ruled in favor of investors represented by Robbins Geller, holding that state courts continue to have jurisdiction over class actions asserting violations of the Securities Act of 1933. The court's ruling secures investors' ability to bring Securities Act actions when companies fail to make full and

The court confirmed that the Securities Litigation Uniform Standards Act of 1998 was designed to preclude securities class actions asserting violations of state law – not to preclude securities actions asserting federal law violations brought in state courts.

- ***Mineworkers’ Pension Scheme v. First Solar Inc.***, 881 F.3d 750 (9th Cir. 2018), *cert. denied*, 588 U.S. ___ (2019). In January 2018, the Ninth Circuit upheld the district court’s denial of defendants’ motion for summary judgment, agreeing with plaintiffs that the test for loss causation in the Ninth Circuit is a general “proximate cause test,” and rejecting the more stringent revelation of the fraudulent practices standard advocated by the defendants. The opinion is a significant victory for investors, as it forecloses defendants’ ability to immunize themselves from liability simply by refusing to publicly acknowledge their fraudulent conduct.
- ***In re Quality Sys., Inc. Sec. Litig.***, No. 15-55173 (9th Cir.). In July 2017, Robbins Geller’s Appellate Practice Group scored a significant win in the Ninth Circuit in the *Quality Systems* securities class action. On appeal, a three-judge Ninth Circuit panel unanimously reversed the district court’s prior dismissal of the action against Quality Systems and remanded the case to the district court for further proceedings. The decision addressed an issue of first impression concerning “mixed” future and present-tense misstatements. The appellate panel explained that “non-forward-looking portions of mixed statements are not eligible for the safe harbor provisions of the PSLRA Defendants made a number of mixed statements that included projections of growth in revenue and earnings based on the state of QSI’s sales pipeline.” The panel then held *both* the non-forward-looking and forward-looking statements false and misleading and made with scienter, deeming them actionable. Later, although defendants sought rehearing by the Ninth Circuit sitting *en banc*, the circuit court denied their petition.
- ***Local 703, I.B. of T. Grocery & Food Emps. Welfare Fund v. Regions Fin. Corp.***, No. CV-10-J-2847-S (N.D. Ala.). In the *Regions Financial* securities class action, Robbins Geller represented Local 703, I.B. of T. Grocery and Food Employees Welfare Fund and obtained a \$90 million settlement in September 2015 on behalf of purchasers of Regions Financial common stock during the class period. In August 2014, the Eleventh Circuit Court of Appeals affirmed the district court’s decision to certify a class action based upon alleged misrepresentations about Regions Financial’s financial health before and during the recent economic recession, and in November 2014, the U.S. District Court for the Northern District of Alabama denied defendants’ third attempt to avoid plaintiffs’ motion for class certification.
- ***Omnicare, Inc. v. Laborers Dist. Council Constr. Indus. Pension Fund***, No. 13-435 (U.S.). In March 2015, the U.S. Supreme Court ruled in favor of investors represented by Robbins Geller that investors asserting a claim under §11 of the Securities Act of 1933 with respect to a misleading statement of opinion do not, as defendant Omnicare had contended, have to prove that the statement was subjectively disbelieved when made. Rather, the court held that a statement of opinion may be actionable either because it was not believed, or because it lacked a reasonable basis in fact. This decision is significant in that it resolved a conflict among the federal circuit courts and expressly overruled the Second Circuit’s widely followed, more stringent pleading standard for §11 claims involving statements of opinion. The Supreme Court remanded the case back to the district court for determination under the newly articulated standard. In August of 2016, upon remand, the district court applied the Supreme Court’s new test and denied defendants’ motion to dismiss in full.

securities fraud action involving mortgage-backed securities, the Second Circuit rejected the concept of “tranche” standing and found that a lead plaintiff has class standing to pursue claims on behalf of purchasers of securities that were backed by pools of mortgages originated by the same lenders who had originated mortgages backing the lead plaintiff’s securities. The court noted that, given those common lenders, the lead plaintiff’s claims as to its purchases implicated “the same set of concerns” that purchasers in several of the other offerings possessed. The court also rejected the notion that the lead plaintiff lacked standing to represent investors in different tranches.

- ***In re VeriFone Holdings, Inc. Sec. Litig.***, 704 F.3d 694 (9th Cir. 2012). The panel reversed in part and affirmed in part the dismissal of investors’ securities fraud class action alleging violations of §§10(b), 20(a), and 20A of the Securities Exchange Act of 1934 and SEC Rule 10b-5 in connection with a restatement of financial results of the company in which the investors had purchased stock.

The panel held that the third amended complaint adequately pleaded the §10(b), §20A, and Rule 10b-5 claims. Considering the allegations of scienter holistically, as the U.S. Supreme Court directed in *Matrixx Initiatives, Inc. v. Siracusano*, 563 U.S 27, 48-49 (2011), the panel concluded that the inference that the defendant company and its chief executive officer and former chief financial officer were deliberately reckless as to the truth of their financial reports and related public statements following a merger was at least as compelling as any opposing inference.

- ***Fox v. JAMDAT Mobile, Inc.***, 185 Cal. App. 4th 1068 (2010). Concluding that Delaware’s shareholder ratification doctrine did not bar the claims, the California Court of Appeal reversed dismissal of a shareholder class action alleging breach of fiduciary duty in a corporate merger.
- ***In re Constar Int’l Inc. Sec. Litig.***, 585 F.3d 774 (3d Cir. 2009). The Third Circuit flatly rejected defense contentions that where relief is sought under §11 of the Securities Act of 1933, which imposes liability when securities are issued pursuant to an incomplete or misleading registration statement, class certification should depend upon findings concerning market efficiency and loss causation.
- ***Matrixx Initiatives, Inc. v. Siracusano***, 563 U.S 27 (2011), *aff’g* 585 F.3d 1167 (9th Cir. 2009). In a securities fraud action involving the defendants’ failure to disclose a possible link between the company’s popular cold remedy and a life-altering side effect observed in some users, the U.S. Supreme Court unanimously affirmed the Ninth Circuit’s (a) rejection of a bright-line “statistical significance” materiality standard, and (b) holding that plaintiffs had successfully pleaded a strong inference of the defendants’ scienter.
- ***Alaska Elec. Pension Fund v. Flowserve Corp.***, 572 F.3d 221 (5th Cir. 2009). Aided by former U.S. Supreme Court Justice O’Connor’s presence on the panel, the Fifth Circuit reversed a district court order denying class certification and also reversed an order granting summary judgment to defendants. The court held that the district court applied an incorrect fact-for-fact standard of loss causation, and that genuine issues of fact on loss causation precluded summary judgment.
- ***In re F5 Networks, Inc., Derivative Litig.***, 207 P.3d 433 (Wash. 2009). In a derivative action alleging unlawful stock option backdating, the Supreme Court of Washington ruled that shareholders need not make a pre-suit demand on the board of directors where this step would be futile, agreeing with plaintiffs that favorable Delaware case law should be followed as persuasive authority.
- ***Lormand v. US Unwired, Inc.***, 565 F.3d 228 (5th Cir. 2009). In a rare win for investors in the Fifth

Circuit, the court reversed an order of dismissal, holding that safe harbor warnings were not meaningful when the facts alleged established a strong inference that defendants knew their forecasts were false. The court also held that plaintiffs sufficiently alleged loss causation.

- ***Institutional Inv'rs Grp. v. Avaya, Inc.***, 564 F.3d 242 (3d Cir. 2009). In a victory for investors in the Third Circuit, the court reversed an order of dismissal, holding that shareholders pled with particularity why the company's repeated denials of price discounts on products were false and misleading when the totality of facts alleged established a strong inference that defendants knew their denials were false.
- ***Alaska Elec. Pension Fund v. Pharmacia Corp.***, 554 F.3d 342 (3d Cir. 2009). The Third Circuit held that claims filed for violation of §10(b) of the Securities Exchange Act of 1934 were timely, adopting investors' argument that because scienter is a critical element of the claims, the time for filing them cannot begin to run until the defendants' fraudulent state of mind should be apparent.
- ***Rael v. Page***, 222 P.3d 678 (N.M. Ct. App. 2009). In this shareholder class and derivative action, Robbins Geller attorneys obtained an appellate decision reversing the trial court's dismissal of the complaint alleging serious director misconduct in connection with the merger of SunCal Companies and Westland Development Co., Inc., a New Mexico company with large and historic landholdings and other assets in the Albuquerque area. The appellate court held that plaintiff's claims for breach of fiduciary duty were direct, not derivative, because they constituted an attack on the validity or fairness of the merger and the conduct of the directors. Although New Mexico law had not addressed this question directly, at the urging of the Firm's attorneys, the court relied on Delaware law for guidance, rejecting the "special injury" test for determining the direct versus derivative inquiry and instead applying more recent Delaware case law.
- ***Lane v. Page***, No. 06-cv-1071 (D.N.M. 2012). In May 2012, while granting final approval of the settlement in the federal component of the Westland cases, Judge Browning in the District of New Mexico commented:

Class Counsel are highly skilled and specialized attorneys who use their substantial experience and expertise to prosecute complex securities class actions. In possibly one of the best known and most prominent recent securities cases, Robbins Geller served as sole lead counsel – *In re Enron Corp. Sec. Litig.*, No. H-01-3624 (S.D. Tex.). See Report at 3. The Court has previously noted that the class would "receive high caliber legal representation" from class counsel, and throughout the course of the litigation the Court has been impressed with the quality of representation on each side. *Lane v. Lane v. Page, 862 F. Supp. 2d 1182, 1253-54 (D.N.M. 2012).

In addition, Judge Browning stated: "Few plaintiffs' law firms could have devoted the kind of time, skill, and financial resources over a five-year period necessary to achieve the pre- and post-Merger benefits obtained for the class here.' . . . [Robbins Geller is] both skilled and experienced, and used those skills and experience for the benefit of the class [Robbins Geller is] both skilled and experienced, and used those skills and experience for the benefit of the class." *Id.* at 1254.

- ***Luther v. Countrywide Home Loans Servicing LP***, 533 F.3d 1031 (9th Cir. 2008). In a case of first impression, the Ninth Circuit held that the Securities Act of 1933's specific non-removal features had not been trumped by the general removal provisions of the Class Action Fairness Act of 2005.

PROMINENT CASES, PRECEDENT-SETTING DECISIONS,
AND JUDICIAL COMMENDATIONS

- ***In re Gilead Scis. Sec. Litig.***, 536 F.3d 1049 (9th Cir. 2008). The Ninth Circuit upheld defrauded investors' loss causation theory as plausible, ruling that a limited temporal gap between the time defendants' misrepresentation was publicly revealed and the subsequent decline in stock value was reasonable where the public had not immediately understood the impact of defendants' fraud.
- ***In re WorldCom Sec. Litig.***, 496 F.3d 245 (2d Cir. 2007). The Second Circuit held that the filing of a class action complaint tolls the limitations period for all members of the class, including those who choose to opt out of the class action and file their own individual actions without waiting to see whether the district court certifies a class – reversing the decision below and effectively overruling multiple district court rulings that *American Pipe* tolling did not apply under these circumstances.
- ***In re Merck & Co. Sec., Derivative & ERISA Litig.***, 493 F.3d 393 (3d Cir. 2007). In a shareholder derivative suit appeal, the Third Circuit held that the general rule that discovery may not be used to supplement demand-futility allegations does not apply where the defendants enter a voluntary stipulation to produce materials relevant to demand futility without providing for any limitation as to their use. In April 2007, the Honorable D. Brooks Smith praised Robbins Geller partner Joe Daley's efforts in this litigation:

Thank you very much Mr. Daley and a thank you to all counsel. As Judge Cowen mentioned, this was an exquisitely well-briefed case; it was also an extremely well-argued case, and we thank counsel for their respective jobs here in the matter, which we will take under advisement. Thank you.

- ***Alaska Elec. Pension Fund v. Brown***, 941 A.2d 1011 (Del. 2007). The Supreme Court of Delaware held that the Alaska Electrical Pension Fund, for purposes of the “corporate benefit” attorney-fee doctrine, was presumed to have caused a substantial increase in the tender offer price paid in a “going private” buyout transaction. The Court of Chancery originally ruled that Alaska's counsel, Robbins Geller, was not entitled to an award of attorney fees, but Delaware's high court, in its published opinion, reversed and remanded for further proceedings.
- ***Crandon Cap. Partners v. Shelk***, 157 P.3d 176 (Or. 2007). Oregon's Supreme Court ruled that a shareholder plaintiff in a derivative action may still seek attorney fees even if the defendants took actions to moot the underlying claims. The Firm's attorneys convinced Oregon's highest court to take the case, and reverse, despite the contrary position articulated by both the trial court and the Oregon Court of Appeals.
- ***In re Qwest Commc'ns Int'l***, 450 F.3d 1179 (10th Cir. 2006). In a case of first impression, the Tenth Circuit held that a corporation's deliberate release of purportedly privileged materials to governmental agencies was not a “selective waiver” of the privileges such that the corporation could refuse to produce the same materials to non-governmental plaintiffs in private securities fraud litigation.
- ***In re Guidant S'holders Derivative Litig.***, 841 N.E.2d 571 (Ind. 2006). Answering a certified question from a federal court, the Supreme Court of Indiana unanimously held that a pre-suit demand in a derivative action is excused if the demand would be a futile gesture. The court adopted a “demand futility” standard and rejected defendants' call for a “universal demand” standard that might have immediately ended the case.

PROMINENT CASES, PRECEDENT-SETTING DECISIONS,
AND JUDICIAL COMMENDATIONS

- ***Denver Area Meat Cutters v. Clayton***, 209 S.W.3d 584 (Tenn. Ct. App. 2006). The Tennessee Court of Appeals rejected an objector’s challenge to a class action settlement arising out of Warren Buffet’s 2003 acquisition of Tennessee-based Clayton Homes. In their effort to secure relief for Clayton Homes stockholders, the Firm’s attorneys obtained a temporary injunction of the Buffet acquisition for six weeks in 2003 while the matter was litigated in the courts. The temporary halt to Buffet’s acquisition received national press attention.
- ***DeJulius v. New Eng. Health Care Emps. Pension Fund***, 429 F.3d 935 (10th Cir. 2005). The Tenth Circuit held that the multi-faceted notice of a \$50 million settlement in a securities fraud class action had been the best notice practicable under the circumstances, and thus satisfied both constitutional due process and Rule 23 of the Federal Rules of Civil Procedure.
- ***In re Daou Sys.***, 411 F.3d 1006 (9th Cir. 2005). The Ninth Circuit sustained investors’ allegations of accounting fraud and ruled that loss causation was adequately alleged by pleading that the value of the stock they purchased declined when the issuer’s true financial condition was revealed.
- ***Barrie v. Intervoice-Brite, Inc.***, 397 F.3d 249 (5th Cir.), *reh’g denied and opinion modified*, 409 F.3d 653 (5th Cir. 2005). The Fifth Circuit upheld investors’ accounting-fraud claims, holding that fraud is pled as to both defendants when one knowingly utters a false statement and the other knowingly fails to correct it, even if the complaint does not specify who spoke and who listened.
- ***City of Monroe Emps. Ret. Sys. v. Bridgestone Corp.***, 399 F.3d 651 (6th Cir. 2005). The Sixth Circuit held that a statement regarding objective data supposedly supporting a corporation’s belief that its tires were safe was actionable where jurors could have found a reasonable basis to believe the corporation was aware of undisclosed facts seriously undermining the statement’s accuracy.
- ***Ill. Mun. Ret. Fund v. Citigroup, Inc.***, 391 F.3d 844 (7th Cir. 2004). The Seventh Circuit upheld a district court’s decision that the Illinois Municipal Retirement Fund was entitled to litigate its claims under the Securities Act of 1933 against WorldCom’s underwriters before a state court rather than before the federal forum sought by the defendants.
- ***Nursing Home Pension Fund, Local 144 v. Oracle Corp.***, 380 F.3d 1226 (9th Cir. 2004). The Ninth Circuit ruled that defendants’ fraudulent intent could be inferred from allegations concerning their false representations, insider stock sales and improper accounting methods.

- ***Troyk v. Farmers Grp., Inc.***, 171 Cal. App. 4th 1305 (2009). The California Court of Appeal held that Farmers Insurance’s practice of levying a “service charge” on one-month auto insurance policies, without specifying the charge in the policy, violated California’s Insurance Code.
- ***Lebrilla v. Farmers Grp., Inc.***, 119 Cal. App. 4th 1070 (2004). Reversing the trial court, the California Court of Appeal ordered class certification of a suit against Farmers, one of the largest

- ***In re Monumental Life Ins. Co.***, 365 F.3d 408, 416 (5th Cir. 2004). The Fifth Circuit Court of Appeals reversed a district court's denial of class certification in a case filed by African-Americans seeking to remedy racially discriminatory insurance practices. The Fifth Circuit held that a monetary relief claim is viable in a Rule 23(b)(2) class if it flows directly from liability to the class as a whole and is capable of classwide "computation by means of objective standards and not dependent in any significant way on the intangible, subjective differences of each class member's circumstances."
- ***Dent v. National Football League***, No. 15-15143 (9th Cir.). In September 2018, the United States Court of Appeals for the Ninth Circuit issued an important decision reversing the district court's previous dismissal of the *Dent v. The case was remanded to the district court for further proceedings.
- ***Kwikset Corp. v. Superior Court***, 51 Cal. 4th 310 (2011). In a leading decision interpreting the scope of Proposition 64's new standing requirements under California's Unfair Competition Law (UCL), the California Supreme Court held that consumers alleging that a manufacturer has misrepresented its product have "lost money or property" within the meaning of the initiative, and thus have standing to sue under the UCL, if they "can truthfully allege that they were deceived by a product's label into spending money to purchase the product, and would not have purchased it otherwise." *Id.* at 317. *Kwikset* involved allegations, proven at trial, that defendants violated California's "Made in the U.S.A." statute by representing on their labels that their products were "Made in U.S.A." or "All-American Made" when, in fact, the products were substantially made with foreign parts and labor.
- ***Safeco Ins. Co. of Am. v. Superior Court***, 173 Cal. App. 4th 814 (2009). In a class action against auto insurer Safeco, the California Court of Appeal agreed that the plaintiff should have access to discovery to identify a new class representative after her standing to sue was challenged.

Indeed, that Eligible Class Members may receive recovery of 90% or greater is a testament to Class Counsel’s representation and dedication to act in their clients’ best interest.” In addition, at the final approval hearing, the court commented that “this is a case that has been litigated – if not fiercely, zealously throughout.” *Low v. Rick Atwood is a partner in the Firm's San Diego office. As a recipient of the *California Lawyer* Attorney of the Year ("CLAY") Award for his work on behalf of shareholders, he has successfully represented shareholders in securities class actions, merger-related class actions, and shareholder derivative suits in federal and state courts in more than 30 jurisdictions. He is also part of the Firm's SPAC Task Force, which is dedicated to rooting out and prosecuting fraud on behalf of injured investors in special purpose acquisition companies. Most recently, in *In re Dole Food Co., Inc. S'holder Litig.*, which went to trial in the Delaware Court of Chancery on claims of breach of fiduciary duty on behalf of Dole Food Co., Inc. shareholders, Atwood helped obtain \$148 million, the largest trial verdict ever in a class action challenging a merger transaction. He was also a key member of the litigation team in *In re Kinder Morgan, Inc. S'holders Litig.*, where he helped obtain an unprecedented \$200 million common fund for former Kinder Morgan shareholders, the largest merger & acquisition class action recovery in history.

Atwood also led the litigation team that obtained an \$89.4 million recovery for shareholders in *In re Del Monte Foods Co. S'holders Litig.*, after which the Delaware Court of Chancery stated that "it was only through the effective use of discovery that the plaintiffs were able to 'disturb[] the patina of normalcy surrounding the transaction.'" The court further commented that "Lead Counsel engaged in hard-nosed discovery to penetrate and expose problems with practices that Wall Street considered 'typical.'" One Wall Street banker even wrote in *The Wall Street Journal* that "Everybody does it, but Barclays is the one that got caught with their hand in the cookie jar . . . Now everybody has to rethink how we conduct ourselves in financing situations." Atwood's other significant opinions include *Brown v. Brewer* (\$45 million recovery) and *In re Prime Hosp., Inc. S'holders Litig.* (\$25 million recovery).

Aelish M. Baig | Partner

Aelish Marie Baig is a partner in the Firm's San Francisco office. She specializes in federal securities and consumer class actions. She focuses primarily on securities fraud litigation on behalf of individual and institutional investors, including state and municipal pension funds, Taft-Hartley funds, and private retirement and investment funds. Baig has litigated a number of cases through jury trial, resulting in multi-million dollar awards and settlements for her clients, and has prosecuted securities fraud, consumer, and derivative actions obtaining millions of dollars in recoveries against corporations such as Wells Fargo, Verizon, Celera, Pall, and Prudential.

Baig, along with co-counsel and a team of Robbins Geller attorneys, is currently leading the effort on behalf of cities and counties around the country in *In re National Prescription Opiate Litigation*. Earlier this year, Baig served as co-trial counsel in a federal bench trial in San Francisco in a case that had been selected as a bellwether in the multi-district litigation. The team achieved combined settlements of nearly \$70 million for San Francisco and more than \$5 billion nationally from multiple pharmaceutical companies who were defendants in the case. The Honorable Charles R. Breyer of the Northern District of California ruled that Walgreens, the only defendant remaining in the case, was liable for its role in the opioid crisis in San Francisco. An abatement trial for Walgreens will be held at a later date.

Baig has also been appointed to the Plaintiffs' Steering Committee in *In re Juul Labs, Inc., Marketing Sales Practices and Product Liability Litigation*, currently pending before the Honorable William H. Orrick in the Northern District of California. She serves on the expert and trial committees and represents, among others, one of the trial bellwethers. Baig and her team have recently completed discovery and are currently preparing for expert reports and trial. She has also been appointed by the Honorable Charles R. Breyer in the Northern District of California to the Plaintiffs' Steering Committee in *In re McKinsey & Co., Inc. National Prescription Opiate Consultant Litigation*.

Additionally, Baig prosecuted an action against Wells Fargo's directors and officers accusing the giant of engaging in the robo-signing of foreclosure papers so as to mass-process home foreclosures, a practice which contributed significantly to the 2008-2009 financial crisis. The resulting settlement was worth more than \$67 million in cash, corporate preventative measures, and new lending initiatives for residents of cities devastated by Wells Fargo's alleged unlawful foreclosure practices. Baig and a team of Robbins Geller attorneys recently obtained a \$62.5 million settlement in *Villella v. Chemical and Mining Company of Chile Inc.*, a securities class action against a Chilean mining company. The case alleged that Sociedad Química y Minera de Chile S.A. ("SQM") violated the Securities Exchange Act of 1934 by issuing materially false and misleading statements regarding the Company's failure to disclose that money from SQM was channeled illegally to electoral campaigns for Chilean politicians and political parties as far back as 2009. SQM had also filed millions of dollars' worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal 2014. Due to the company being based out of Chile and subject to Chilean law and rules, Baig and the Robbins Geller litigation team put together a multilingual litigation team with Chilean expertise. Baig was also part of the litigation and trial team in *White v. Cellco Partnership d/b/a Verizon Wireless*, which resulted in a \$25 million settlement and Verizon's agreement to an injunction restricting its ability to impose early termination fees in future subscriber agreements. She was also part of the team that prosecuted dozens of stock option backdating actions, securing tens of millions of dollars in cash recoveries as well as the implementation of comprehensive corporate governance enhancements for numerous companies victimized by their directors' and officers' fraudulent stock option backdating practices. Additionally, Baig prosecuted an action against Prudential Insurance for its alleged failure to pay life insurance benefits to beneficiaries of policyholders it knew or had reason to know had died, resulting in a settlement in excess of \$30 million.

Litig.* (S.D.N.Y.), where more than \$657 million was recovered, the largest opt-out (non-class) securities action in history. Daniel S. Drosman | Partner

Dan Drosman is a partner in the Firm's San Diego office and a member of the Firm's Management Committee. He focuses his practice on securities fraud and other complex civil litigation and has obtained significant recoveries for investors in cases such as *Morgan Stanley*, *Cisco Systems*, *The Coca-Cola Company*, *Petco*, *PMI*, and *America West*. Drosman served as lead trial counsel in *Jaffe v. Household International* in the Northern District of Illinois, a securities class action that obtained a record-breaking \$1.575 billion settlement after 14 years of litigation, including a six-week jury trial in 2009 that resulted in a verdict for plaintiffs. Drosman also helped secure a \$388 million recovery for investors in *J.P. Morgan residential mortgage-backed securities in Fort Worth Employees' Retirement Fund v. J.P. Morgan Chase & Co.* On a percentage basis, that settlement is the largest recovery ever achieved in an RMBS class action. Drosman also served as lead counsel in *Smilovits v. First Solar, Inc.*, and obtained a \$350 million settlement

on the eve of trial. The settlement is fifth-largest PSLRA settlement ever recovered in the Ninth Circuit.

Most recently, Drosman was part of the Robbins Geller litigation team in *Monroe County Employees' Retirement System v. The Southern Company* in which an \$87.5 million settlement was reached after three years of litigation. The settlement resolved claims for violations of the Securities Exchange Act of 1934 stemming from defendants' issuance of materially misleading statements and omissions regarding the status of construction of a first-of-its-kind "clean coal" power plant that was designed to transform coal into synthetic gas that could then be used to fuel the power plant. In another recent case, Drosman and the Robbins Geller litigation team obtained a \$62.5 million settlement in *Villella v. Chemical and Mining Company of Chile Inc.*, which alleged that Sociedad Química y Minera de Chile S.A. ("SQM") violated the Securities Exchange Act of 1934 by issuing materially false and misleading statements regarding the Company's failure to disclose that money from SQM was channeled illegally to electoral campaigns for Chilean politicians and political parties as far back as 2009. SQM had also filed millions of dollars' worth of fictitious tax receipts with Chilean authorities in order to conceal bribery payments from at least 2009 through fiscal year 2014.

In a pair of cases – *Abu Dhabi Commercial Bank, et al. v. Morgan Stanley & Co. Inc.* ("Cheyne" litigation) and *King County, Washington, et al. v. IKB Deutsche Industriebank AG* ("Rhinebridge" litigation) – Drosman led a group of attorneys prosecuting fraud claims against the credit rating agencies, where he is distinguished as one of the few plaintiffs' counsel to defeat the rating agencies' traditional First Amendment defense and their motions for summary judgment based on the mischaracterization of credit ratings as mere opinions not actionable in fraud.

Prior to joining the Firm, Drosman served as an Assistant District Attorney for the Manhattan District Attorney's Office, and an Assistant United States Attorney in the Southern District of California, where he investigated and prosecuted violations of the federal narcotics, immigration, and official corruption law.

Most recently, Ellman was on the team of Robbins Geller attorneys who obtained a \$34.5 million recovery in *Patel v. He was also on the team of attorneys who recovered in excess of \$34 million for investors in *In re OSG Sec. Litig.*, which represented an outsized recovery of 93% of bond purchasers' damages and 28% of stock purchasers' damages. The creatively structured settlement included more than \$15 million paid by a bankrupt entity.

Ellman was also on the team of Robbins Geller attorneys who achieved final approval in *Curran v. Jason A. Forge | Partner

Jason Forge is a partner in the Firm's San Diego office. He specializes in complex investigations, litigation, and trials. As a federal prosecutor and private practitioner, Forge has conducted and supervised scores of jury and bench trials in federal and state courts, including the month-long trial of a defense contractor who conspired with Congressman Randy "Duke" Cunningham in the largest bribery scheme in congressional history. He recently obtained approval of a \$160 million recovery in the first successful securities fraud case against Wal-Mart Stores, Inc. in *City of Pontiac General Employees' Retirement System v. Wal-Mart Stores, Inc.* In addition, Forge was a member of the Firm's trial team in *Hsu v. Puma Biotechnology, Inc.*, a securities fraud class action that resulted in a verdict in favor of investors after a two-week jury trial.

After the trial victory over Puma Biotechnology and Alan Auerbach, Forge joined a Robbins Geller litigation team that had defeated 12 motions for summary judgment against 40 defendants and was about to depose 17 experts in the home stretch to trial. Forge and the team used these depositions to disprove a truth-on-the-market argument that nine defense experts had embraced. Soon after the last of these expert depositions, the Robbins Geller team secured a \$1.025 billion settlement from American Realty Capital Properties and other defendants that included a record \$237 million contribution from individual

defendants and represented more than twice the recovery rate obtained by several funds that had opted out of the class.

Forge was a key member of the litigation team that secured a historic recovery on behalf of Trump University students in two class actions against President Donald J. Trump. The settlement refunds over 90% of the money thousands of students paid to “enroll” in Trump University. He represented the class on a *pro bono* basis. Forge has also successfully defeated motions to dismiss and obtained class certification against several prominent defendants, including the first federal RICO case against Scotts Miracle-Gro, which recently settled for up to \$85 million. He was a member of the litigation team that obtained a \$125 million settlement in *In re LendingClub Securities Litigation*, a settlement that ranked among the top ten largest securities recoveries ever in the Northern District of California.

In a case against another prominent defendant, Pfizer Inc., Forge led an investigation that uncovered key documents that Pfizer had not produced in discovery. Although fact discovery in the case had already closed, the district judge ruled that the documents had been improperly withheld and ordered that discovery be reopened, including reopening the depositions of Pfizer’s former CEO, CFO, and General Counsel. Less than six months after completing these depositions, Pfizer settled the case for \$400 million.

Paul J. Geller | Partner

Paul Geller, managing partner of the Firm's Boca Raton, Florida office, is a founding partner of the Firm, a member of its Executive and Management Committees, and head of the Firm's Consumer Practice Group. Geller's 29 years of litigation experience is broad, and he has handled cases in each of the Firm's practice areas. Notably, before devoting his practice to the representation of consumers and investors, he defended companies in high-stakes class action and multi-district litigation, providing him with an invaluable perspective. Geller has tried bench and jury trials on both the plaintiffs' and defendants' sides and has argued before numerous state, federal, and appellate courts throughout the country.

Geller was recently selected to serve in a leadership position on behalf of governmental entities and other plaintiffs in the sprawling litigation concerning the nationwide prescription opioid epidemic. In reporting on the selection of the lawyers to lead the case, *The National Law Journal* reported that "[t]he team reads like a 'Who's Who' in mass torts." Geller was also a critical member of the team that negotiated over \$26 billion in settlements against certain opioid distributors and manufacturers. Prior to the opioid litigation, Geller was a member of the leadership team representing consumers in the massive *Volkswagen "Clean Diesel"* emissions case. The San Francisco legal newspaper *The Recorder* labeled the group that was appointed in that case, which settled for more than \$17 billion, a "class action dream team."

Geller is currently serving as a Lead Counsel in *In re EpiPen (Epinephrine Injection, USP) Mktg., Sales Practs. & Antitrust Litig.*, a nationwide class action that alleges that pharmaceutical company Mylan N.V. and others engaged in anti-competitive and unfair business conduct in its sale and marketing of the EpiPen auto-injector device. The case was recently settled for \$609 million.

Some of Geller's other recent noteworthy successes include the largest privacy class action settlement in history – a \$650 million recovery in a cutting-edge class action in *In re Facebook Biometric Info. Privacy Litig.*, concerning Facebook's use of biometric identifiers through its "tag" feature. In addition to the monetary

recovery, Facebook recently disabled the tag feature altogether, deleting user facial profiles and discontinuing the use of facial recognition software.

Debra J. Wyman | Partner

Debra Wyman is a partner in the Firm's San Diego office. She specializes in securities litigation and has litigated numerous cases against public companies in state and federal courts that have resulted in over \$2 billion in securities fraud recoveries. Wyman served as lead counsel in *In re Am. Realty Cap. Props., Inc. Litig.*, a case arising out of ARCP's manipulative accounting practices, and obtained a \$1.025 billion recovery. For five years, she and the litigation team prosecuted nine different claims for violations of the Securities Exchange Act of 1934 and the Securities Act of 1933, involving seven different stock or debt offerings and two mergers. The recovery represents the highest percentage of damages of any major PSLRA case prior to trial and includes the largest personal contributions by individual defendants in history. Most recently, Wyman was part of the litigation team in *Monroe County Employees' Retirement System v. The Southern Company* in which an \$87.5 settlement was reached after three years of litigation. The settlement resolved claims for violations of the Securities Exchange Act of 1934 stemming from defendants' issuance of materially misleading statements and omissions regarding the status of construction of a first-of-its-kind "clean coal" power plant that was designed to transform coal into synthetic gas that could then be used to fuel the power plant.

Wyman was also a member of the trial team in *Schuh v. HCA Holdings, Inc.*, which resulted in a \$215 million recovery for shareholders, the largest securities class action recovery ever in Tennessee. The recovery achieved represents more than 30% of the aggregate classwide damages, far exceeding the typical recovery in a securities class action. Wyman prosecuted the complex securities and accounting fraud case *In re HealthSouth Corp. Sec. Litig.*, one of the largest and longest-running corporate frauds in history, in which \$671 million was recovered for defrauded HealthSouth investors. She was also part of the trial team that litigated *In re AT&T Corp. Sec. Litig.*, which was tried in the United States District Court, District of New Jersey, and settled after only two weeks of trial for \$100 million. Wyman was also part of the litigation team that secured a \$64 million recovery for Dana Corp. shareholders in *Plumbers & Pipefitters National Pension Fund v. Burns*, in which the Firm's Appellate Practice Group successfully appealed to the Sixth Circuit Court of Appeals twice, reversing the district court's dismissal of the action.

Korein Tillery — based in Chicago and St. Louis — is one of the country’s most successful plaintiffs’ complex-litigation firms, representing a broad array of clients in high-stakes lawsuits and delivering over \$18 billion in verdicts and settlements over the last 14 years. Most of our attorneys have represented both plaintiffs and defendants at some point in their careers, and, combined, we’ve handled cases covering virtually every conceivable substantive area of the law. We’ve litigated cases for clients ranging from individuals and certified classes to governmental entities and billion-dollar, multi-national corporations. Collectively, we’ve tried hundreds of cases to verdict, with several verdicts exceeding 10 figures. Our attorneys have been nominated for numerous regional and national trial lawyer awards, and we’ve won many landmark decisions in state and federal appellate courts, including the Supreme Court of the United States.

The National Law Journal has consistently deemed Korein Tillery to be one of the country’s top plaintiffs’ firms by naming it to its “Plaintiffs’ Hot List” seven times in the past 15 years. In 2014 and 2015, Korein Tillery was named by the NLJ as a member of its top 50 Elite Trial Lawyers. The American Bar Association’s Securities Litigation Journal deemed two of Korein Tillery’s cases, *Kircher v. Putnam Funds Trust*, 547 U.S. 633 (2006) and *Merrill Lynch Pierce Fenner & Smith, Inc. v. Dabit*, 547 U.S. 71 (2006), the two most important securities law decisions in 2006. Securities Litigation Journal, *Top 10 Securities Law Decisions of 2006* (Winter 2006). In *Kircher*, Korein Tillery served as lead counsel for the plaintiffs’ class from the initial trial court filing to the Supreme Court of the United States, where the Court reversed the Seventh Circuit in a 9-0 decision.

Korein Tillery has been appointed as class counsel in more than fifty class actions and has successfully negotiated some of the country’s largest class action settlements. *See, e.g., Parker v. Sears Roebuck & Co.*, Case No. 04-L-716 (Ill. Cir. Ct. Jan. 16, 2008) (settlement valued at \$544.5 million); *Cooper v. The IBM Pers. Pension Plan*, 2005 WL 1981501, 35 Employee Benefits Cas. 2488 (S.D. Ill. Aug. 8, 2005) (\$325 million settlement); *Sparks v. AT&T Corp.*, 96-LM-983 (Ill. Cir. Ct. The Firm's Recent Work:

CLASS ACTION AND COMPLEX LITIGATION

National Credit Union Administration Mortgage-Backed Securities Litigation.

The National Credit Union Administration (“NCUA”) is the independent federal agency created by the U.S. Congress to regulate, charter, and supervise federal credit unions. On behalf of the NCUA, Korein Tillery and co-counsel Kellogg, Hansen, Todd, Figel & Frederick filed approximately 20 federal lawsuits throughout 2011-2013 alleging that Wall Street investment banks misled credit unions about the quality of certain residential mortgage-backed securities (“RMBS”), causing billions of dollars of losses that the NCUA insured. More specifically, NCUA alleged that these banks violated the Federal Securities Act by representing in federally-regulated offering documents that all loans backing the RMBS complied with originator underwriting guidelines or had sufficient compensating factors to allow exceptions to the guidelines when in fact the majority of the loans did not.

Throughout several years of contentious litigation, involving several successful appeals, Korein Tillery and Kellogg Hansen obtained more than \$5.1 billion in legal settlements on NCUA’s behalf, including but not limited to:

- *NCUA v. JP Morgan Chase Bank*, 2:13-cv-02012-JWL (D. Kan.) (obtained \$1.4 billion settlement in Dec. 2013);
- *NCUA v. RBS Sec., Inc.*, 1:13-cv-06726-DLC (S.D.N.Y.) (accepted offer of judgment for \$129.6 million plus fees in Sept. 2015);
- *NCUA v. Barclays Capital, Inc.*, 1:13-cv-06727-DLC (S.D.N.Y.) & 2:12-cv-02631-JWL (D. Kan.) (obtained \$325 million combined settlement in Oct. 2015);
- *NCUA v. Wachovia Capital Markets LLC*, 1:13-cv-06719-DLC (S.D.N.Y.) & 2:11-cv-02649-JWL (D. Kan.) (obtained \$53 million combined settlement in Oct. 2015);
- *NCUA v. Morgan Stanley & Co., Inc.*, 1:13-cv-06705-DLC (S.D.N.Y.) & 2:13-cv-02418-JWL (D. Kan.) (obtained \$225 million combined settlement in Dec. 2015);
- *NCUA v. Goldman Sachs and Co.*, 1:13-cv-06721-DLC (S.D.N.Y.) & 2:11-cv-06521-GW-JEM (C.D. Cal.) (obtained \$575 million combined settlement in Apr. 2016);
- *NCUA v. RBS Sec., Inc. et al.*, 11-cv-2340- JWL-JPO (D. Kan.) & 2:11-cv-05887 GW-JEM (C.D. Cal.) (obtained \$1.1 billion combined settlement in Sept. 2016);
- *NCUA v. UBS Securities, LLC*, 2:12-cv-02591-JWL (D. Kan.) (obtained \$445 million settlement in Mar. 2017); and
- *NCUA v. Credit Suisse Sec. (USA) LLC*, 2:12-cv-02648-JWL (D. Kan.) (obtained \$400 million settlement in Mar. 2017).

NCUA was the first federal regulatory agency for depository institutions to recover losses from investments in these securities on behalf of failed financial institutions. NCUA uses the net proceeds to reduce Temporary Corporate Credit Union Stabilization Fund (Stabilization Fund) assessments charged to federally insured credit unions to pay for the losses caused by the failure of five corporate credit unions.

Korein Tillery and Kellogg Hansen continue to prosecute several lawsuits on behalf of the NCUA against certain RMBS trustees regarding their alleged failure to perform their duties.

In re: Foreign Exchange Benchmark Rates Antitrust Litigation, No. 13-cv-07789-LGS (S.D.N.Y.)

The global foreign exchange (“FX”) market for currency is a \$1-trillion-per-day market, with the dominant dealers representing over 90 percent of the global FX market. Beginning as early as 2003 and continuing through 2013, these dealers used communications in multiple secret chat rooms to conspire to fix spot prices in dozens of currency pairs, manipulate FX benchmark rates, and exchange key confidential customer information in an attempt to trigger client stop loss orders and limit orders. These dealers constituted some of the largest financial institutions in the world, including Bank of America, Barclays, BNP Paribas, Citigroup, Credit Suisse, Deutsche Bank, Goldman Sachs, HSBC, JPMorgan Chase & Co., Morgan Stanley, Royal Bank of Scotland, and UBS.

Korein Tillery, working with co-counsel Scott+Scott Attorneys at Law, LLP and Hausfeld LLP, developed and filed a class action on behalf of individuals who entered into FX transactions in over-the-counter exchanges and/or on exchanges with these dealers, alleging violations of Sections 1 and 3 of the Sherman Antitrust Act and violations of the Commodity Exchange Act. As a result of nearly 6 years of work by Korein Tillery and its co-counsel costing the firms nearly \$30 million in case-related expenses, \$2.3 billion in court-approved settlements have been reached with 15 of the 16 defendants, constituting one of the largest antitrust class action recoveries in history. Mediator Kenneth Feinberg concluded that this settlement would “represent[] some of the finest lawyering toward a negotiated resolution that I have witnessed in my career” and described Korein Tillery and its co-counsel as “superlative, sophisticated, and determined plaintiffs’ lawyers.”

Senne v. The Office of the Comm’r of Baseball, No. 14-CV-00608-JCS (N.D. Cal.)

In this action, Korein Tillery is co-lead counsel for a class of minor league baseball players who allege that MLB and MLB’s member franchises failed to pay the players minimum wage, required overtime pay, or sometimes any wages at all. The players assert two claims under the federal Fair Labor Standards Act (“FLSA”) and an additional thirty-one under the wage-and-hour laws of several states.

Early in the case, the court denied a motion to transfer the action to another venue, and denied a motion to dismiss for purported lack of standing. *See Senne*, 2015 WL 4240716 (N.D. Cal. July 13, 2015). On October 20, 2015, the Court granted the players conditional certification of a collective under the Fair Labor Standards Act. *Senne*, 2015 WL 6152476

(N.D. Cal. Oct. 20, 2015). A court-directed notice was sent, and around 2,300 players joined the collective.

In March 2017, the court certified a Rule 23 class of minor leaguers who played in California. *Senne*, 2017 WL 897338 (N.D. Cal. Mar. 7, 2017). The parties cross-appealed, with MLB arguing that no class should have been certified, and the players arguing that the court should have certified additional classes. On August 16, 2019, the Ninth Circuit agreed with the players. It affirmed the certification of the class of players who worked in California, and it certified additional classes for players who worked during spring training and other periods in Arizona and Florida. MLB petitioned the Ninth Circuit for an en banc re-hearing, which was denied, and then petitioned the U.S. Supreme Court for review, which was also denied. 934 F.3d 918 (9th Cir. 2019), cert. denied, 141 S. Ct. 248 (2020).

In March 2022, the district court issued a landmark summary judgment decision that, for the first time ever, recognized that minor league players are employees under wage-and-hour laws. Less than a month before trial, Korein Tillery negotiated a settlement that resulted in players receiving back pay and MLB rescinding unfair rules and contractual provisions that required players to work long hours without any pay for much of the year. Those contractual rules had been in place for over 50 years. The \$185 million settlement on behalf of thousands of minor league baseball players is believed to be one of the five largest wage-and-hour settlements ever.

***United States ex rel. Garbe v. Kmart Corp.*, 3:12-cv-00881-NJR-PMF (S.D. Ill.).**

Since 2004, Kmart pharmacies have charged low, flat-rate prices for certain generic drug prescriptions when those drugs are purchased by customers who paid entirely out of their own pockets with no insurance coverage. Since the beginning of the Medicare Part D drug program on January 1, 2006, however, Kmart has charged higher prices—often significantly higher prices—to customers with Medicare Part D coverage than it charges self-paying customers for the same prescription. For example, Kmart charged cash customers \$10 for a 60-day supply of 500 mg Naproxen (available in non-prescription strength as Aleve®), but charged the Government \$58.79 for the same prescription.

Korein Tillery and co-counsel Phillips & Cohen filed a False Claims Act case against Kmart after the Government declined to intervene. In the litigation, Kmart never disputed that it charges cash-paying customers lower prices than it charges to the Government. Instead, Kmart contended that it was never required to charge the Government the lower prices because those are not the prices Kmart charges to “the general public.” Rather, Kmart claimed its cash-customers are not the “general public” but rather members of an exclusive “club” through which they are offered the discount prices, even though as a practical matter the discount prices are the prices Kmart charges to all its cash customers. Kmart also has no record of denying any cash-paying customer “membership” in Kmart’s “club.” The U.S. District Court for the Southern District of Illinois rejected Kmart’s arguments and denied its motions for summary judgment. Kmart appealed, but the Seventh Circuit affirmed the district court in large part. *United States ex rel. Garbe v. Kmart Corp.*, 824 F.3d 632 (7th Cir.

2016). After remand, the case settled in late 2017 with Kmart agreeing to pay approximately \$59 million.

Lightfoot v. Arkema, Inc. Ret. Benefits Plan, CIV. 12-773 JBS/JS (D.N.J.).

After the court certified a class of present and former retirement benefits plan participants, plaintiffs filed a motion for partial summary judgment on the issue of whether the COLAs the Plan promised to participants who elected annuities were part of participants' "accrued benefit" under ERISA. The Plan countered with a motion for summary judgment arguing the statute of limitations had run on all class members' claims owing to statements in a 1994 Summary Plan Description (SPD) and other plan documents. Although the same judge had previously ruled that the statements in the SPD and Plan were "clear repudiations" in a companion case, Korein Tillery convinced the court to deny the Plan's motion for summary judgment and to grant plaintiffs' motion for partial summary judgment, finding that the COLAs promised annuitants were accrued benefits. 2013 WL 3283951 (D.N.J. June 27, 2013). The case settled in 2014 with the average class member receiving \$11,000 in cash that could be rolled into a retirement account.

City of Greenville v. Syngenta Crop Prot., Inc., 3:10-CV-188-JPG-PMF (S.D. Ill.).

On October 23, 2012, the U.S. District Court for the Southern District of Illinois entered an order approving a \$105 million class-action settlement designed to compensate Community Water Systems throughout the United States for the cost of removing the pesticide atrazine from public drinking water. The litigation between class members and Syngenta dated back to July 2, 2004, when Holiday Shores Sanitary District filed six separate lawsuits against manufacturers and distributors of atrazine and atrazine-containing products in the Illinois Circuit Court in Madison County.

Atrazine is used to control broadleaf and grassy weeds in a variety of crops, but is applied primarily to corn fields. Atrazine has been one of the most heavily used pesticides in the U.S. Two of atrazine's key chemical characteristics—that it does not readily bind to soil and that it persists in the environment—dramatically increase atrazine's effectiveness as an herbicide. However, because atrazine does not bind to soil, it easily runs off of fields with rainfall and contaminates surface waters such as rivers, lakes, and reservoirs that act as drinking-water supplies for public water providers.

Plaintiffs alleged that atrazine had continuously entered their water supplies, and, as a result of this contamination, they had to filter atrazine from their water sources. After eight years of litigation, Korein Tillery secured a \$105 million settlement fund to be distributed to several hundred community water systems for costs of filtration of atrazine from their drinking-water supplies. *City of Greenville v. Syngenta Crop Prot., Inc.*, No. 3:10-CV-188-JPG-PMF, 2012 WL 1948153 (S.D. Ill. May 30, 2012); *see also* 904 F. Supp. 2d 902 (S.D. Ill. 2012) (granting final approval of settlement and attorneys' fees). The settlement amounted to approximately 76 percent of the \$139 million estimated to be the Class's maximum potential recovery.

To facilitate the settlement claims process, Korein Tillery lawyers collected 20 years of atrazine testing data into a database that was made available to each class member through a settlement website. From there, Claimants were able to view the test data already collected for their system and provide additional evidence of atrazine contamination to claim their share of the settlement fund. Although many class actions experience claims rates of less than 15 percent, in this case virtually all settlement funds were distributed to class members.

Public Justice honored the Korein Tillery lawyers representing the plaintiffs in this case as finalists for its Trial Lawyer of the Year award.

Missouri Utility Tax Litigation

Since 2007, Korein Tillery has represented Missouri municipalities in class action litigation that sought to recover unpaid license taxes. In suits against wireless and wireline carriers, Korein Tillery attorneys recovered hundreds of millions of dollars of license tax revenues—both retrospectively and prospectively—for more than 350 cities throughout Missouri. Korein Tillery has recovered more than \$1 billion for Missouri municipalities. As a result of their work in these cases, the Missouri Lawyers Weekly recognized Korein Tillery partners John W. Hoffman and Douglas R. Sprong with awards in the “largest plaintiff wins” category in 2007, 2009, 2010, 2015, and 2017.

In 2012, Korein Tillery was successful in persuading the Supreme Court of Missouri to issue an extraordinary writ (mandamus) declaring unconstitutional a state statute that sought to sweep away this litigation by barring cities and towns from serving as class representatives. *State ex rel. Collector of Winchester v. Jamison*, 357 S.W.3d 589 (Mo. 2012).

Mansfield v. ALPA, 06-cv-6869 (N.D. Ill.)

Beginning in 2001, United Airlines encountered financial difficulties that ultimately culminated in its filing for bankruptcy protection. During the course of United’s reorganization in bankruptcy, United sought to terminate its pilots’ defined benefit pension plan. In exchange for ALPA’s agreement not to oppose the termination of the pension plan, United agreed to provide ALPA with \$550 million in convertible notes. ALPA, through its United Airlines Master Executive Council (“MEC”), was tasked with allocating the proceeds from the sale of the convertible notes among the pilots. The MEC selected an allocation method that divided the note proceeds based upon each pilot’s lost accrued benefits and lost projected benefits.

Korein Tillery filed this case in 2006 contending that ALPA breached its duty of fair representation in discriminating between its members in allocating the proceeds from the sale of \$550 million in convertible notes. Korein Tillery prevailed on a number of complex and novel issues in the trial court. For example, ALPA moved to exclude retirees from the class, arguing that a union owes no duties to retired pilots under the Railway Labor Act. The court denied ALPA’s motion, agreeing with plaintiffs that because ALPA represented the retirees when it negotiated the convertible notes, it owed them a duty even though the

retirees were no longer a part of the bargaining unit. *Mansfield v. ALPA*, 2007 WL 2903074 (N.D. Ill. Oct. 1, 2007). After Korein Tillery also successfully opposed motions for summary judgment, 2009 WL 2386281 (N.D. Ill. Jul. 29, 2009), and to decertify the class, 2009 WL 2601296 (N.D. Ill. Aug. 20, 2009), the parties reached a settlement two weeks before trial. Per the settlement, ALPA funded an aggregate settlement fund of \$44 million to be paid directly to class members. *Mansfield v. ALPA*, No. 06C6869 (N.D. Ill. Dec. 14, 2009). The settlement is believed to be one of the largest ever in a duty of fair representation case, in which unions are sued over their responsibility to fairly represent their members.

***Williams v. Rohm & Haas Pension Plan*, 4:04-cv-0078-SEB-WGH (S.D. Ind.).**

Korein Tillery filed this class action in 2002 alleging that the Rohm & Haas Pension Plan violated ERISA by failing to include the value of future cost-of-living adjustments (COLA) in calculating lump-sum distributions from the Plan. After eight years of litigation, Korein Tillery obtained one of the largest settlements in the history of ERISA—\$180 million. In 2006, the case was certified and Korein Tillery won summary judgment convincing the district court that the terms of the Plan violated ERISA because a COLA is an “accrued benefit” requiring that it be included in lump-sum distributions. The district court’s decision was affirmed on interlocutory appeal. *Williams v. Rohm & Haas Pension Plan*, 497 F.3d 710, 714 (7th Cir. 2007) (“If a defined benefit pension plan entitles an annuitant to a COLA, it must also provide the COLA’s actuarial equivalent to a participant who chooses instead to receive his pension in the form of a one-time lump sum distribution.”), *cert. denied*, 128 S. Ct. 1657 (2008). Settlement approval and the fee award were later affirmed. 658 F.3d 629 (7th Cir. 2011).

***Parker v. Sears, Roebuck & Co.*, Case No.: 04-L-716 (Ill. Cir. Ct. Sept. 18, 2007).**

Korein Tillery brought this action against Sears in 2004 to remedy Sears’s failure to install anti-tip safety devices, which prevent ranges from tipping over and severely burning or injuring unsuspecting consumers, on ranges that it sold, delivered, and set-up in customers’ homes. In the 1960s and 1970s, kitchen range manufacturers started reducing the weight of metal in an effort to competitively lower the price of kitchen ranges. Over the course of several years, advances in materials allowed manufacturers to produce ranges which were durable and light weight. However, because the oven doors on the front of the ranges serve as a lever and fulcrum, the light weight of the new ranges created an extremely dangerous tipping hazard. For example, if a person were to place a turkey roaster on an open and horizontal oven door, the added weight would cause these newly designed ranges to tip forward, spilling the hot contents onto anyone standing in the vicinity. Children who opened the range and used the door as a step could unwittingly tip boiling liquids onto themselves. Dozens of people had been killed and hundreds had been maimed as a result of this problem.

Recognizing the need for a solution to this dangerous hazard, manufacturers and regulators began requiring installation of an anti-tip bracket that could be attached to the wall or floor at the back end of the range, preventing any forward tipping and maintaining complete stability. The installation is simple and the lightweight bracket costs pennies. The rule

making bodies of most codes (BOCA Code, National Electrical Code; numerous other industry codes) thereafter required the installation of anti-tip brackets in all range installations in the United States. Even Sears acknowledged that a properly installed anti-tip bracket completely eliminates the hazards of tipping stoves.

Sears, Roebuck & Company at the time was the largest retail seller of kitchen ranges in the United States—averaging more than 800,000 ranges sold every year. When selling a gas or electric range, Sears generally includes delivery, installation, and hookup in customers' homes; thus, Sears became the largest installer of kitchen ranges in the United States. To increase its profits, Sears adopted a policy of refusing to install anti-tip brackets during normal installation unless the customer agreed to incur a substantial cost. At the same time, Sears failed to disclose the hazards associated with forgoing anti-tip bracket installation.

In January 2008, the Court granted final approval of a settlement which provided complete relief to the class by requiring Sears to install anti-tip brackets for the affected members of the class as well as requiring the installation of such brackets in the future. The settlement is valued at more than \$544.5 million.

This settlement was touted by the public interest organization Public Citizen as an example of how consumer class actions benefit society. Public Citizen nominated Stephen Tillery as Trial Lawyers for Public Justice's Trial Lawyer of the Year based upon his role in this case.

Hoormann v. SmithKline Beecham Corp., 04-L-715 (Ill. Cir. Ct. May 17, 2007).

In July 2004, Korein Tillery filed suit on behalf of a nationwide class of purchasers alleging that SmithKline Beecham promoted Paxil® and Paxil CR™ for prescription to children and adolescents despite having actual knowledge that these drugs exposed children and adolescents to dangerous side effects while failing to treat their symptoms. Following three years of litigation, Korein Tillery obtained a settlement that established a \$63.8 million dollar fund to reimburse class members 100 percent of their out-of-pocket expenses. This case was featured in *The American Lawyer*, Aruna Viswanatha, *King & Spalding Lawyer Stirs State Judge's Ire*, [29] 1 Am.Law., Jan. 2007, at 50, and mentioned in the *National Law Journal*. *The Plaintiffs' Hot List*, 30 Nat'l L.J. S8 (Nov. 22, 2007).

CUNA Mutual Mortgage-Backed Securities Litigation.

CMFG Life Insurance Company, CUMIS Insurance Society, Inc., and MEMBERS Life Insurance Company (collectively referred to as "CUNA Mutual") are financial services and insurance firms that offer insurance, investment, and retirement products and services to credit unions and their members. Korein Tillery and Kellogg Hansen filed a series of individual lawsuits in 2011 and 2013 on behalf of CUNA Mutual against eight Wall Street investment banks seeking to recover losses on \$300 million of RMBS purchases using the novel common-law theory of contract rescission.

As in NCUA, CUNA Mutual alleged that the banks misrepresented in offering documents that all loans backing the RMBS complied with originator underwriting guidelines or had

sufficient compensating factors to allow exceptions to the guidelines. CUNA Mutual also alleged that the banks misrepresented that it conducted due diligence to verify the accuracy of its offering document representations. In mid-2015, an appellate court issued a favorable opinion in CUNA Mutual's bellwether case approving of CUNA Mutual's primary litigation arguments. *CMFG Life Ins. Co. v. RBS Sec., Inc.*, 799 F.3d 729 (7th Cir. 2015). On remand, the case settled in December 2015 for a confidential amount. CUNA Mutual eventually settled its remaining RMBS cases over the next two years for confidential amounts. *See, e.g., CMFG Life Ins. Co. v. Credit Suisse Sec. (USA) LLC*, 3:14-cv-00249-wmc (W.D. Wis.) (settled in Oct. 2017); *CMFG Life Ins. Co. v. Morgan Stanley & Co., LLC*, 3:13-cv-00577-jdp (W.D. Wis.) (settled in Sept. 2017); *CMFG Life Ins. Co. v. J.P. Morgan Sec, LLC*, 3:13-cv-00580-wmc (W.D. Wis.) (settled in Mar. 2016).

Axiom Investment Advisors, LLC v. Barclays Bank PLC, No. 15-cv-9323-LGS (S.D.N.Y.)

From 2008 to 2015, Barclays Bank PLC acted as both a buyer and seller of various foreign and domestic currencies through various trading platforms. Instead of executing foreign exchange orders placed by Barclays' customers on these platforms, Barclays instituted a secret "last look" policy that delayed execution of matched trades for several hundred milliseconds or even several seconds which allowed Barclays to determine through its algorithms whether the trade would be unfavorable to its position. If the matched trade would be unfavorable, Barclays reneged on the agreed price and rejected the trade or placed the order at a worse price. Barclays used last look to reject millions of trades that would otherwise have been executed.

Korein Tillery, along with its co-counsel Scott+Scott, Attorneys at Law, LLP and Hausfeld LLP, filed a class action against Barclays Bank PLC regarding its use of "last look," raising breach of contract and other claims. The court appointed Korein Tillery and Scott+Scott as class counsel. Counsel was successful in securing a \$50 million settlement from Barclays on behalf of the class, which the court ultimately approved.

ANTITRUST LITIGATION

In re GSE Bonds Antitrust Litig. Korein Tillery, along with co-counsel, alleged antitrust violations arising from coordinated price-fixing in the secondary market for bonds issued by the government-sponsored entities Federal National Mortgage Association, Federal Home Loan Mortgage Corporation, Federal Farm Credit Banks, and Federal Home Loan Banks ("GSE Bonds"). Plaintiffs defeated two motions to dismiss and reached a settlement with all defendants, including Deutsche Bank Securities Inc., First Tennessee Bank, N.A., FTN Financial Securities Corp., Goldman Sachs & Co. LLC, Barclays Capital Inc., BNP Paribas Securities Corp., Cantor Fitzgerald & Co., Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC, HSBC Securities (USA) Inc., J. P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Inc., Morgan Stanley & Co., LLC, Nomura Securities International, Inc., SG Americas Securities LLC, TD Securities (USA) LLC, and UBS

Securities LLC. The combined settlement provided \$386.5 million to class members and was approved by the court on June 18, 2020.

Sullivan v. DB Investments, Inc.: Korein Tillery represented a nationwide class of diamond purchasers in an antitrust case against the country's largest diamond distributor. That case was consolidated with others in the Eastern District of Pennsylvania and Korein Tillery was appointed co-lead counsel. In that role, the firm helped negotiate injunctive relief and a nationwide settlement that created a \$323 million fund to compensate diamond purchasers.

In re In re Google Digital Publisher Antitrust Litigation: Korein Tillery has been appointed interim co-lead counsel representing a class of online publishers that sell ad space on their websites using tools that they purchase from Google. Plaintiffs allege that Google engaged in a series of mutually reinforcing anticompetitive acts in adjoining markets to acquire and maintain monopoly power over the markets for these tools, in violation of the Sherman Act and California's Unfair Competition Law.

In re: Google Play Consumer Antitrust Litigation: Korein Tillery, working with co-counsel, filed the first consumer class action in the nation alleging that Google's operation of Google Play Store and Google Play Billing, among other actions, created a wrongful monopoly over the distribution of applications and payment for in-application purchases in the Android ecosystem. Over ten similar complaints followed and are now consolidated before Judge James Donato in the Northern District of California, where Korein Tillery serves as a member of the consumer class steering committee.

Litovich v. Bank of America Corp., et al., 1:20-cv-03154-LJL (S.D.N.Y.)

The United States corporate bond market is among the world's largest and deepest sources of business capital, with over 16.5 million trades for over \$8.6 trillion in par value occurring in 2019 alone. In this market, retail investors in odd lots of corporate bonds (bond trades involving less than 1,000 bonds, or that are less than \$1 million in par value, which represent as many as 90% of the total number of trades in corporate bonds) receive inferior prices when they buy and sell bonds compared to investors trading in round lots (trades involving increments of 1,000 bonds, or that are greater than and divisible by \$1 million in par value). This disparity has cost odd-lot investors billions of dollars. This state of affairs exists and has been perpetuated by ten of the world's largest banks/corporate bond dealers, who have engaged in a group boycott of all electronic platforms that have threatened to improve odd-lot pricing, increase competition on pricing for odd lots, or offer all-to-all trading in odd lots of U.S. corporate bonds.

Korein Tillery was named Interim Co-Lead Class Counsel (with Scott+Scott Attorneys at Law LLP) in this antitrust class action against ten banks seeking to recover damages in an amount conservatively estimated to be in excess of \$10 billion dollars. The case is currently pending before the Hon. Lewis J. Liman in the United States District Court for the Southern District of New York, where the parties are currently engaged in briefing on the defendants' joint motion to dismiss.
